### Well, Bike Week has come and gone,

and from most accounts it was well attended and very successful. The crowds were huge, and even though the weather was not quite as nice as we would have liked with a bit of rain and cold, it didn't seem to dampen any spirits. Thanks to the City of Daytona Beach and the commitment of all involved for making this the King of all Rally's. The arrival of April continues the spring rally season. All eyes of the motorcycling community will be turning their attention to the Leesburg Bike Festival. This one is a great weekend party and its location in the middle of the state makes it an easy ride from anywhere. From there it's straight to Panama City for Thunder Beach Rally. The sugary sand beaches of the panhandle welcome bikers from all over the south for sun and fun.

Also in April is Easter Sunday on the 16th which also happens to be my birthday. So, if anyone is wanting to send me expensive presents just let me know. Bought myself an expensive toy in the form of a new delivery truck so look for our silver Thunder Roads Florida hotel on wheels in a city near you.

This will certainly keep us on the highway of life more days of the month! Also, we hope everyone is enjoying the new monthly tech tip piece "Playing in the Cat Box". We welcome all your feedback.

Try to hit some of our Biker Friendly Bars this month and please let them know you saw them in Thunder Roads Florida. We have them listed by county so hit the road and explore! Whether they are old or new advertisers they all help contribute to our ability to bring this magazine to you each month.

See ya on the road,

T.J.

*Happy Easter!*

# ALR Post 359 Biker Tiki Days

BY T-Rex

We stopped in Post 350 off Rt. 1 in Port St. John for Biker Day at the Tiki and who did we run into? Nancy and Sean from Stargazer Embroidery. They were set up with two sewing machines non-stop, no waiting...also hanging around, patches, vests and much more. The machines were singing all day along with the Henderson Band. The Tiki was packed. Bartenders going non-stop too. Stephanie, Janice and Debbie a big thanks to you girls. They had food, horseshoes and this time poker with darts. Looking forward to the 3rd Saturday of the month for their monthly Biker Tiki Days. See y'all there.

Stargazer Embroidery busy at work!

## Welcome to Stargazer Embroidery!

# S. R. PERROTT 55TH ANNIVERSARY CELEBRATION

BY TJ

Kellie & Babe Whitton from Babe's Blue Room

Race car driver Brad Keselowski

Toasting 55 years in business and the grand opening of their new location on US 1 in Ormond Beach, this was not your everyday celebration. The Connor family knows how to throw a bash with a combination of a virtual taste of Daytona, free flowing sampling of all their beer and wine lines and a full-blown rock concert with legendary .38 Special playing the hits like Rockin' Into the Night and Hold on Loosely. Beautiful ladies were promoting their brands. NASCAR drivers were on hand including Brad Keselowski signing autographs for the fans. S. R. Perrott has been a successful business in the Volusia/Flagler area for 55 years distributing our favorite alcohol products.

# Thank You BAY 3 BAR for Being SO TWISTED!

BY LuLu

We do our Thunder Roads/ Twisted Tea parties almost every month, and every so often one just Twists Out of the Park! The crowd was huge! I can tell how much the regulars love the owner Jan...since they were all there to wish her a Happy Birthday complete with a beautiful cake! Well, Blue Diamond vocals and music rocked the party all day long, the tea sampling and giveaways had a steady flow...but what really set this party apart was the generosity of the locals. We raised \$184 dollars and 78 pounds of food for the Second Harvest Food Bank! They couldn't be more appreciative when they see me coming. As most of you know we donate the money and the food in the county it is raised in. Thank you to Jan and Barry, the staff, the patrons, to Twisted Tea for the continued support, to my help (particularly Earth and Mama Bear as my Twisted Tea girl came down with a bug last minute)! Our next party is at St. John's River Grille in Deland on April 19th 6-9p. This is a beautiful setting on the St. John's River with the time change there is no reason not to get on your bike and ride out for a night of music, friendly people and bring some cans to help stock the food bank!

# GLENN'S LAST RUN

By Jeani G.

DeLand lost a beloved friend and avid biker earlier this year. Glenn Lane bravely served his country in the US army in Vietnam and Germany. He was an accomplished engineer and retired from Sparton Electronics. Glenn was well known for his cheerful disposition and was always quick to offer a smile and a helping hand to friends and strangers alike.

On Glenn's birthday, January 22nd, family and friends retraced the route of the last motorcycle ride he took earlier that month. Laurie and Dan Bowden organized a wonderful memorial run and on what started out as a blustery overcast day, Glenn smiled down from Heaven with sunshine on the myriad of bikes and cars riding together in his honor. Fabulous photos of the day's journey were taken by Susie Macon.

The ride started with breakfast supplied by OB's Restaurant & Lounge in DeLand; headed for Three Bananas in Crescent City, then on to Shrimps R Us and More in Welaka, where the proprietor and staff treated us to delicious shrimp and an array of snacks and beverages. Next, we rode to Renegades by the River in Crescent City, then headed back to DeLand, stopping at the Brass Rail and ending the day at OB's with a wonderful barbeque buffet, live music by Joe Santana's Kingfish and lots of reminiscing among family and friends where the most common comments were "Glenn was the first person I met when I moved to DeLand" and "He always greeted you with a smile and handshake or kiss".

We love you Glenn and we will miss you ... Ride on and keep smiling!

**BUY ME LOVE**  
**CHARITY EVENT** BY LuLu

A unique Valentine's night was hosted at Grandview Live in Daytona Beach. For those who had a little extra money in their pocket and a heart of gold...a night on the town was available for purchase. 12 eligible bachelors and bachelorettes donated a night or afternoon of their time complete with a planned date. The auctioned males and females were to choose their charity. Thousands of dollars were raised for charities that included Hospice, United Way, Operation Changing Lives, Salty Family Services, Faine House, YMCA, American Cancer Society, Humane Society, Surfers for Autism, Neighbor to Family, Make A Wish Foundation, St. Jude's, and Crohn's in Childhood Research Association. What a great group of folks...the auctioned and the bidders, as both gave of not only their hard - cash but also their time to give a little "Love" to charities that are near to their hearts. We must say a special thank you to AJ Costa who not only was auctioned, but also took our camera and shot some of the photos.

# L.A.M.A. NAPLES 3RD ANNIVERSARY PARTY

BY RON COX

Between 400 and 500 of their closest friends converged on Naples Harley-Davidson on February 25th to help the Naples Chapter of LAMA (Latin American Motorcycle Association) celebrate its 3rd Anniversary.

The 80' tent covered the numerous tables and chairs for the riders and their guests as they consumed a choice of chicken or pork, rice and beans and other Latin favorites. Unlimited soft drinks were on hand and adult beverages were available for purchase. Live entertainment was provided by the Bonita Springs based band Rockin' Horse and they did just that, rockin' the house. Vendors were also on hand, offering everything from native American jewelry to Argentinian empanadas.

Naples had a table full of trophies, too many to list 'em all here so let's just say that Orlando rode off with the Best Rep Chapter while Southern Atlanta scored the Longest Distance and Port St. Lucie was the first to arrive.

LAMA was founded in 1977 in Chicago. Since its inception, LAMA was intended to be a Moto-Touring Club with truly democratic ideas. In 1995 a Chapter was formed in Miami and in 1996 LAMA became a National Association when the first national president was elected. In 1999, LAMA became an International Association when Chapters were formed in Puerto Rico, Mexico and Cuba. # Playing in the Cat Box

By Danny Martin (American Cycle Auto & Truck)

Well Folks, thanks for having me back for my third installment of Playing in the Cat Box. This month is truly a "You Can Do It Yourself" with minimal tools article. While I was down in your wonderful state for Bike Week it just so happens that my voltage regulator decided it did not want to work. So with a Mr. T starter kit tool set and a little help from Brigit at Custom Works on Beach St. in Daytona I got all the stuff I needed. A new Drag Specialties battery part number 2113-0021, a voltage regulator #2112-0783 and just in case a starter switch relay #DS325849. So if you are ready here we go.

On this particular bike as with most custom built bikes and anything before 1998 usually you can find the voltage regulator mounted between the uprights right behind the front fender. A small rectangular box with a plug that goes into your stator. It is right on the primary side. I have determined that a loose plug on the primary stator is what caused mine to fail by shorting out and not working properly and it's surging, it burned out my regulator overcharging my battery. Making it work too hard so always check that connection. That is usually the first reason why when you leave your house and get to the bar your bike won't start, cause the battery is dead.

Let's start by removing it. It is all pretty simple you can usually just cut the wires and pull them out. But you have to fish them back through so keep that in mind. So not take your 10mm wrench and remove your battery. Take the 7/16 socket and take the broken regulator off. Now you are ready to reinstall.

This assembly process is a little more tedious than difficult. You remount the voltage regulator, plug in your stator plug...making sure this connection is snug. Take the wire now and feed it back through the way you took out the old one. Remounting with either zip ties or tabs or whatever has been supplied by your builder or dealer. Route the voltage regulator wire all the way back to the battery, or sometimes there will be a circuit breaker or mounting tab where the old one was. Reinstall the supplied factory butt connector. If you read the first article, you already know your battery is charged and ready to install. Hook up the negative first, then the positive and you should be ready to ride.

Once again thank you for playing in the box, if you have questions or comments please let me know.

# SCHOG Riding for Charity

By LuLu

What an absolutely beautiful day to ride! We left Port Orange on the Ultra with leathers on but by the time we arrived at the VFW Post #505 in Winter Springs it was just perfect weather to be on a motorcycle. The major fundraiser for the Seminole County HOG chapter is billed as a Valentine's Poker Run, lots of women and men had on pink, red or hearts. The stops included Shay's Airport Hangar, Rockin' Rhonda's, Casselberry's Patio Bar and ended at The Green Parrot. Hundreds of folks rode for their cause which includes the Orlando Bahia Shrine, Orlando Veteran's Homes and Wreath's Across America. A 2017 Heritage Softail or \$10,000 was being raffled off as part of the festivities. I believe all 1000 tickets were sold! The Bobby Friss Band that I love were putting their heart and soul into the celebration. Live and silent auctions were an additional stream of money for their charities. This was a very well organized event and I loved that ALL the stops I have never been to. Thank you SCHOG and to all of you who spent your day helping them to help such worthy charities!!!

# OPEN ROAD GIRL MEET & GREET

By Deborah Speicher

The Open Road Girl truck and trailer pulled into New Port Richey Harley-Davidson on February 25, 2017 and, for once, the lady riders clearly outnumbered the guys! Open Road Girl clothing is a national favorite for many ladies and this was our chance to see everything up close and personal. It was also an opportunity to meet the owner, Malinda Johnson.

Malinda and her husband, Barry, have been driving cross county to bike nights, motorcycle stores and just about any place where riders congregate. After spending a few hours at New Port Richey H-D, I literally saw hundreds of ladies riding in over the course of the day. Riders from Ladies of Harley chapters, Diva Angels, Stiletto on Steel, and many more came out to check out all the cool Open Road Girl gear and to be part of the camaraderie. I would have to add that Malinda is also a rider so she offers real riding gear and not just a shirt or jacket with some bling! It's all fabulous and utilitarian.

Credit where credit is due also goes to New Port Richey H-D who provided FREE lunch for all, live music by Jeff Vitolo & The Quarter Mile Rebels, "how to pick up your bike demo's" and the "Jump Start" for ladies who want to take life by their own handlebars.

Missed the nationwide Meet and Greets? No problem! You can check out the website at: [www.openroadgirl.com](http://www.openroadgirl.com)

# THE GREAT SMOKE BY LuLu

I am not a cigar aficionado...never even puffed one, but when Bill Grotto from Twisted Tea invited TJ (a fine cigar loving man) and myself to attend The Great Smoke we took the long ride down the coast to Lake Worth for a new experience. The event was held at the American German Club hosted by Abe a local cigar expert. For the purchase of a ticket (base price is \$150) you receive a purse size cooler and then you go "Trick or Treating" to sample 41 cigars. Some of the proceeds go to a children's cancer charity. A great variety of free food and alcohol was served and a good band played. Girls from the Spearmint Rhino were on a pole entertaining the masses and allowing photos. So, for men it was a perfect playground...hot girls, good food, cigars and music. And for me it was a wonderful afternoon with two of my best guys and 3 new friends! If you enjoy cigars and have never gone to one of these events check it out next year it was a great time!

## ANNIVERSARY BASH

BY LULU

If you came to Beaver Bar at the very busiest moment of Bike Week...the crowds would still be bigger at Heavy's Anniversary Bash for Midwest Motorcycles. The entire property was packed, cars were parked up and down the street. Crashrocket was jamming. And the folks in the bike contest waited patiently for the award ceremony. They presented Leslye Beaver a stuffed beaver for her continued support of the biking community. The weather was perfect and everyone seems to really enjoy this event each year. Thanks, Heavy and Christine for being so active in the community, for being part of Thunder Roads Florida and for the hard work you put into this event!

# The JOKERS WILD

I'm a gal, he's single...  
 He lives right across the street. I can see his place from my kitchen window. I watched as he got home from work this evening. I was surprised when he walked across the street, up my driveway and knocked on the door.  
 I opened the door, he looked at me and said, "I just got home, and I have this strong urge to have a good time, dance, get drunk, and have wild sex tonight. Are you doing anything?" "I replied, "Nope, I'm free!" "Great," he said. "Can you watch my dog?"

A little silver-haired lady calls her neighbor and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started." Her neighbor asks, "What is it supposed to be when it's finished?" The little silver haired lady says, "According to the picture on the box, it's a rooster." Her neighbor decides to go over and help with the puzzle. She lets him in and shows him where she has the puzzle spread all over the table.  
 He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster." He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea" and then he said with a deep sigh .....  
 "Let's put all the Corn Flakes back in the box."

Two old drunks are sitting in a bar when the first one says, "Ya know, when I was thirty and got an erection, I couldn't bend it, even using both hands.  
 By the time I was forty, I could bend it about ten degrees if I tried really hard.  
 By the time I was fifty, I could bend it about forty five degrees, no problem.  
 I'm gonna be sixty next week, and now I can bend it in half with just one hand."  
 "So," says the second drunk, "what's your point?"  
 "Well, I'm just wondering how much stronger I'm gonna get."

A robber was inside a house. All of a sudden someone said, "Jesus is watching you!" "What?" said the robber? He started to pick up the MOXI, he heard "Jesus is watching you!" The robber pointed his flashlight at the voice and asked, "Who said that?" It was a parrot. "I'm Moses," said the parrot. "Who in the world would name you Moses?" asked the robber. The parrot answered, "The same man that named the pit-bull in the corner Jesus!"

With a very seductive voice a wife asked her husband "Have you ever seen \$20 all crumpled up?"  
 "No" said her husband.  
 She gave him a sexy little smile unbuttoned the top three buttons of her blouse and slowly reached down in her cleavage created by a soft, silky pushup bra and pulled out a crumpled twenty dollar bill.  
 He took the crumpled bill from her and smiled approvingly. She then asked "Have you ever seen \$50 all crumpled up?"  
 "No I haven't" he said, an anxious tone in his voice.  
 She gave him another sexy little smile pulled up her skirt, seductively reached into her tight sheer panties and pulled out a crumpled fifty dollar bill.  
 He took the crumpled bill and started breathing a little quicker with anticipation.  
 "Now" she said "Have you ever seen \$50,000 all crumpled up?"  
 "No way" he said becoming even more aroused and excited to which she purred:  
 "Go look in the garage."

A small zoo in Arkansas obtained a very rare species of gorilla. Within a few weeks the gorilla, a female, became very difficult to handle. Upon examination, the Veterinarian determined the problem. The gorilla was in heat. To make matters worse, there was no male gorilla available.  
 Thinking about their dilemma, the Zoo Keeper's first idea was of Bobby Lee, a redneck part-time worker responsible for cleaning the animal cages. Bobby Lee had little sense but possessed ample ability to satisfy a female of any species. Herein, the Zoo Keeper thought they might have a solution. Bobby Lee was approached with a proposition: Would he be willing to mate with the gorilla for \$500.00?  
 Bobby Lee showed some interest, but said he would have to think the matter over carefully. The following day, he announced that he would accept their offer, but only under certain conditions: "First," Bobby Lee said, "There aint gonna' be no kissin' her on the lips." The Zoo Keeper quickly agreed to this condition.  
 "Also", he continued "you can't never tell no one, no body about this." The Keeper again readily agreed to this condition. And," Bobby Lee said, "I want any your guns' raised Southern Baptist." Once again it was agreed. "And finally," Bobby Lee said, "I'll need another week to come up with the whole \$500. bucks."

Checking into a hotel I said, "I hope the porn channel in my room is disabled." The hag Owner replied, "No, it's regular porn you sick mo-fo."
