What a blast we have been having lately!!

Leesburg Bike Festival and Thunder Beach Rally in Panama City Beach kept our calendar filled with lots of miles traveled and fun times. Meeting up with our readers from all over the state and re-connecting with the rally vendors and our ad clients make it all worthwhile. The motorcycling lifestyle and the magazine lifestyle are all about getting to know new people, and enjoying the company of old friends. Beth and I have been doing lots of both.

It's very satisfying to see all the hard work paying off in the form of a much improved magazine. Thunder Roads Florida is growing in size, distribution numbers, and news coverage. New sponsors are steadily joining our family of advertisers which allow us the ability to keep you all informed of the happenings inside the biker world. This month we are thrilled to welcome world renowned bike builder Eddie Trotta with his latest line of custom made parts. Also, the new ownership/ management team at Treasure Coast Harley-Davidson in Stuart, led by my old friend Scott Floyd, is introducing themselves to the South Florida market and beyond. Locally here in Daytona, check out the nice new digs of Lucky Clover Cycles. Bob is setting up a first class facility on Jackson Street in Port Orange. And let's not forget our friend Daytona Flash Airbrushing. He does bikes, cars, and just about anything else you need customized. We believe strongly in the products and services that our ad clients provide and personally endorse them all.

June is here and that means Father's Day. Don't forget to honor your fathers, after all they're probably the ones that put you on your first bike. And with the summer riding season upon us please be careful out there and ride defensively. Drink lots of water to keep hydrated and use sunscreen to protect from the damaging effects of the blistering hot Florida sun. Major events like Laconia, 4th of July holiday, and the Sturgis Rally are what we look forward to. Let's get through them all safely. Meanwhile, we'll be out there doing what we do.

See ya on the road,

T.J.

INAUGURAL SONS OF SPEED VINTAGE MOTORCYCLE RACE

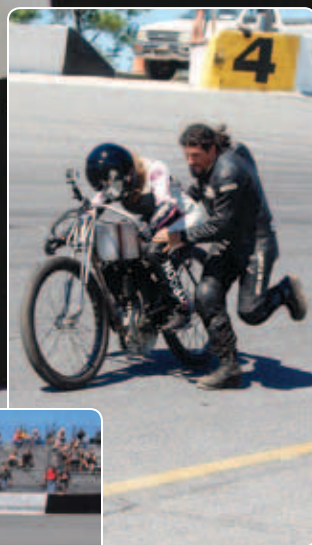

by Deborah Speicher

One of the highlights of Daytona Bike Week 2017 was the Sons of Speed Vintage Motorcycle Race held on March 18 at New Smyrna Speedway. The brainchild behind this event was none other than renowned bike builder, Billy Lane. In addition to organizing this event, Billy personally worked on several of the chassis for the pre-1925 motorcycles. At the practice races the day before, I saw Billy, along with his brother Warren, riding, wrenching, pushing bikes and otherwise moving nonstop around the track and pit stop area.

On Friday, there were sixteen motorcycles which turned into twelve on the day of the race due to mechanical issues. This type of racing involving old motorcycles with skinny tires at high speeds can be dangerous and, thankfully, there was only one minor incident on practice day. Racer Rhett Rotten ("Wall of Death" fame) had both tires simultaneously go out on him and he went down. However, he was back the next day to race. His bike was appropriately named "Death Trap"!

There were other motorcycle celebrities in the race – Paul Cox ("Indian Larry Legacy"), Buzz Kanter ("American Iron Magazine"), Josh Owens ("Moonshiners" television show) and Rick Petko ("American Chopper" television show).

First place was won by Brittney Olsen, second place by Matt Harris and third place by Shelly Rossmeyer-Pepe (GM of Destination Daytona). With two women taking top awards in this race, looks like they may have to rename this "Sons and Daughters of Speed" for future events! Kudos to Billy Lane -- I can't wait to catch another one of these events at future motorcycle rallies.

TWISTED TEA BIKE NIGHT AT ST. JOHN'S RIVER GRILLE

by LuLu

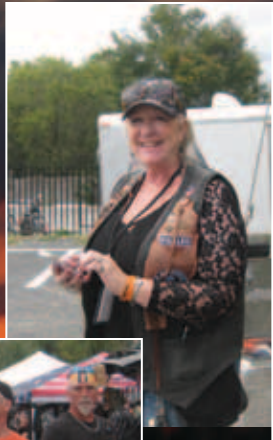

Bike Night on Wednesdays on the St. John's River just west of Deland on 44 has become a popular spot to eat, drink and be merry! The band on our Twisted Tea Bike Night was Penta and they were a crowd favorite. Thanks to the generous crowd we raised \$127 and 35 pounds of food for the Second Harvest Food Bank in Volusia County. Miss Twisted Tea, Nicole sampled lots of peeps that had never sipped Twisted Tea before and they were all happy to take home coozies and bandanas as souvenirs of the night!

THE FLORIDA BIKER AWARENESS RALLY

By Anne Barrows

The Florida Biker Awareness Rally in Ocala was a great success for its first rally. The event was attended and supported by bikers from Ft. White to Cocoa, and as far west as the Tampa region. Several local motorcycle clubs attended and volunteered their time to help make this happen. Mother Nature did not want to cooperate. The bikers rallied and raised a great amount of funds for the six designated bikers in need. The ride was shortened due to weather. When they stopped at Black Bear Pub on Rt. 40 owner "Mama Bear", Tammy Lynn Daneszewski returned to the rally with the bikers, and also gave a large \$ donation. Great speakers from the Forest ABATE chapter to the largest financial supporter Steven A. Bagen Law Firm had the riders' attention. Over 20 vendors were on site. The bands Mike Smithson, Copper Gypsy and to close off the night Infuzion Band rocked the crowd to the end. The Florida Biker Awareness looks forward to their next event. Watch Thunder Roads for info on their next event!

WELCOME HOME Vietnam Veterans & Dogs

by Deborah Speicher

Barbara Snow

Colonel Ron Rook

On Saturday, March 25, 2017, Vietnam era veterans and their war dogs were given the "welcome home" they deserve at Veterans Memorial Park in Tampa. Several veterans came out to give some truly heartfelt speeches and made us realize that it really stirred up old memories which many wanted to forget.

One such speaker was Colonel Ron Rook (Ret. USMC). Colonel Rook spoke about how most of the men in his regiment were lost on a mission and also about coming home. Coming back to the United States during the Vietnam War was just about as dangerous, as protesters had started shooting returning soldiers. Colonel Rook had to wear civilian clothing and could have no trace of military clothing or paraphernalia with him when he came back to the States during the war.

The other unsung heroes of that era were the war dogs. Dogs trained and taken to Vietnam were then either left in Vietnam or euthanized. This was so unfair for those loyal canines who served and saved many lives. Barbara Snow from the US War Dogs Association Southern Chapter 2 spoke about the history of war dogs and how dogs can now properly retire from service.

This was a great ceremony which included all Vietnam era veterans receiving a pin to commemorate their service, POW/MIA table ceremony and The Last Patrol. The Last Patrol was created by the Suncoast Vietnam Veterans who reenact the last days of the Vietnam War utilizing a K-9 dog, smoke and music from that era.

At the conclusion, all attendees were treated to free food and dessert courtesy of VFW Post 8108 Riverview Ladies and Men's Auxiliaries. FYI - Veterans Memorial Park is free and open to the public. In addition to various park displays, there is the Rear Admiral LeRoy Collins Jr. Veterans Museum.

The event was well done and powerful. Welcome home all!

GATOR HARLEY-DAVIDSON 12TH ANNUAL WOMEN'S DAY CONFERENCE

by Deborah Speicher

Just when you thought Gator Harley-Davidson couldn't possibly improve or reinvent this day just for the ladies, they really did pull a rabbit out of a hat or make that a hole, as this year's theme was "Alice in Wonderland." Decorations, lighting, food, as well as, appearances by the Queen of Hearts and White Rabbit really did turn this event into a wonderland.

What worked in the past was brought back – great speakers such as resident leathersmith, Marg Williams, and head mechanic, Mike Williams. Other speakers, especially Ride Smart Florida, made their presentations more interactive which kept everyone engaged. Once again, the fashion show exhibited how H-D offers clothing that is stylish for all ages and sizes. Getting a 20% discount on all motorclothes was also a bonus for attendees!

A great addition was the "throw the hoop on the bunny ears" game which was way harder than it sounds. Before closing statements, our Queen of Hearts did an over-the-top dance performance – you had to be there! Lastly, the ladies were treated to a scenic, escorted ride through the countryside.

Job well done goes to Alex Malik, Jan Wilde Wideman, Gourmet Today for breakfast and lunch, and all the vendors, speakers and our massage therapist (yep, FREE chair massages!).

LET'S RIDE GRAND OPENING IN PORT RICHEY

By LuLu

In Port Richey, right smack dab on US 19 is a motorcycle specialty shop that carries motorcycle gear, accessories and apparel. To celebrate their grand opening their lot was filled with vendors, food and a bike show. Live music filled the air with Mustang Mafia rocking the large crowd. You can't meet a nicer person than Lisa the owner who was scurrying around the shop as men and women were cashing in on the 15% off the entire store.

B.A.C.A. Scavenger Hunt

by Ron Cox

The City of Palms Chapter of Bikers Against Child Abuse (B.A.C.A.) hosted a Passport Run/Scavenger Hunt on April 22nd to raise funds to support its programs to provide for wounded children. The Ft. Myers Chapter is the largest of the 10 Chapters in Florida. B.A.C.A. is an international effort with chapters in 12 countries and 47 states in the U.S. More chapters are being formed internationally.

More than 70 riders/passengers assembled at VFW Post 10127 in North Ft. Myers under threatening skies to register and get directions for the first stop. After a blessing of the bikes, small groups set out to capture the required items.

Riders/passengers ended up at American Legion Post 110 in Port Charlotte. BBQed food, salads, liquid refreshments, an auction and a plethora of raffle prizes awaited the group.

Using their "road names" (don't ask me why) Bounce won the Scavenger Hunt top prize of two round trip tickets aboard the Key West Express. Juicy won the \$133 50/50.

B.A.C.A. exists with the intent to create a safer environment for abused chil-

dren. It exists as a body of bikers to empower children to not feel afraid of the world in which they live. B.A.C.A. stands ready to lend support to our wounded friends by involving them with an established united organization. B.A.C.A. works in conjunction with lo-

cal and state officials who are already in place to protect children.

On the bottom of every member's vest is the B.A.C.A. motto "No child deserves to live in fear."

VET-JAM MUSIC FEST

By Phoenix and Metric

This year the Battle of the Bands Inc. who host the Vet-Jam Music Fest reached out to the Gathering of the CLUBS (GOC) to sponsor the 1st Annual Ride-in. The Gathering of the CLUBS is made up of most of the motorcycle clubs, associations and riding enthusiasts in the county. The GOC works together to bring motorcycle awareness, coordination and support for each other and the community. A few years back the GOC hosted an event to raise money to purchase an all-terrain power wheelchair to be used by persons with disabilities on the trails in the local Highlands Hammock State Park. This year the GOC decided to team up to support the Vet-Jam Music Fest. The 1st Annual Ride-in was coordinated by the Veterans-in-Arms VMC. The day started with a "GREAT" breakfast provided by the American Legion Riders in Avon Park with stops at the VFW 4300 Riders, Cowpoke's Watering Hole, Lake Placid Elk Riders, the Warlock Clubhouse, the US Military Veterans MC at the VFW in Avon Park with the final stop in historical downtown Avon Park at the Vet-Jam Music Fest. The day was filled with a great county ride though God's country followed by food and fun for all.

The Battle of the Bands host major events to raise money to help local Veterans Charities. The Battle of the Band sponsors a special Veteran dedication during Veteran's Day weekend and sponsor a "Christmas on the Mall" at Christmas time to honor our Veterans. Their next big event will be held in July so mark your calendars and COME JOIN US!!!!

BUNNIES FOR BABIES

By Raven Van Pelt

American Legion Riders Chapter 54, in Fernandina Beach held their Bunnies for Babies II dice run. The dice run stopped at several posts and Bar Z. At each stop bunny games were held, and prizes handed to the winners. Proceeds from the Bunnies for Babies Run were to help benefit Nassau County Health Department, Well Babies Department. Items collected ranged from diapers, socks, bottles, clothes, baby blankets and sippy cups. Bunnies for Babies couldn't have asked for a nicer day and upon return to Post 54, a pork loin dinner was served to all riders. For more information on how to help, please contact the Nassau County Health Department.

BIG BIKE NIGHT AT EARL'S HIDEAWAY

BY LuLu

One of my favorite places to go is in Sebastian. Earl's Hideaway has a great inside bar and then a tiki like outside courtyard complete with sand. This bar is very cool. Not only do they love their bikers...they love good music! Blues is often the music of choice. But they also do lots of good rock and roll. Their bike night is weekly on Thursday nights, but once a month they blow it up a bit with Space Coast H-D bringing in giveaways, a Dyno for you to check out and the one we rode down for had Love Valley on stage. Young men that weren't born when these musicians hit the radio, were rockin' classics from the 70s including Led Zeppelin, Jimi Hendrix, and Allman Brothers. If you get a chance to see these kids you will be glad you did! Franni knows good music and searches for that rare gem and brings them to their slice of paradise! While you are there have a giant slice of pizza to go with your alcohol! There are lots of cool places to stay so make a night of it!

By LuLu

Riding season is in full swing. And no better place to ride to on the first Saturday of the month than the Tilted Kilt in Ocala. Their bike nights start with Happy Hour prices, great food and GREAT music! The place is swarming with hot kilted girls, so gentlemen "Start your engines!" The first one of the season had one of my favorites Bobby Friss taking the stage! Every month the bands are exceptional! A beautiful ride from all directions so come out and play in Ocala!

HOT TIMES AT COLD RIVER SALOON

BY TJ Costa / PHOTOS Ken and Lennie, SOUTHWEST FLORIDA REPS

The first weekend in April marked the grand opening for the Cold River Saloon in Punta Gorda with owners, Ken and Dee, throwing one hell of a bash to celebrate. On Saturday, Storm Warning was ripping up classic tunes, the crowd was rocking and the ice-cold beer flowed. A fantastic pig roast prepared by Rick Sechrist kept bellies full and happy, with sides provided by Mike and Tammy Livingston. The following day was Cold River's regular first Sunday of the month Bike Bash and nobody missed a beat! Lippy's catered a great BBQ and the Forbidden Fruit Farmers rocked all day with plenty of \$12 beer buckets quenching everyone's thirst. Ken and Dee brought their Maine hospitality to southwest Florida at the old Tilly's Tap and are quickly establishing a "Cheers" like atmosphere which makes it a favorite stop on my monthly statewide trek. Plan a trip to Punta Gorda, book a room at the Punta Gorda Waterfront Hotel, explore this cool town and make Cold River Saloon your party spot. Just a short ride from downtown the owners and their friendly bartenders, Christie, Angela and Toni are always happy to welcome thirsty patrons with a big smile and an ice-cold beer.

EUSTIS' RUN FOR THE MOVING WALL

By LuLu

Bike Night on Wednesdays on the St. John's River just west of Deland on 44 has become a popular spot to eat, drink and be merry! The band on our Twisted Tea Bike Night was Penta and they were a crowd favorite. Thanks to the generous crowd we raised \$127 and 35 pounds of food for the Second Harvest Food Bank in Volusia County. Miss Twisted Tea, Nicole sampled lots of peeps that had never sipped Twisted Tea before and they were all happy to take home coozies and bandanas as souvenirs of the night!

BAYER CHASES AWAY Headaches, Stomach Aches and Sun Burns

By LuLu

If you have been to any of the major rallies in the USA you have probably been given samples of Bayer Aspirin, Alka-Seltzer, Aleve, Claritin, Dr. Scholl's or Coppertone from a tent set up at key locations. I call the packets they hand out "hangover kits", although they are much more! From Sturgis to Washington, D.C., from Destination Daytona during Bike Week and Biketoberfest to Gator Harley-Davidson during Leesburg Bike Fest you will see their promo tents with smiling faces handing out samples as fast as they can gather them up.

I have ridden from Daytona to Washington D.C. to the Vietnam Wall with Rolling Thunder. Most riding on 2 and 3 wheels are Vietnam Vets... making them a bit on the side of older...just like me! And I can tell you they are happy to see the Bayer tent for their sore bones from the long ride! This promotion does in fact get their name out, but let's be real; everyone knows their product and their brands. Their participation in the rallies sets them apart from other businesses...they participate in this world we love call motorcycling. I want to ask you to remember them and buy their products when you need relief! The company could easily spend the money on TV ads, but stepping into our world at these events needs our loyalty as consumers! There are plenty of competitors on the shelf when you visit your local pharmacy or convenience store for your aches and pains, but those competitors are not handing out free samples in OUR world of bikers are they?

I heard recently someone was biking cross country and started having severe chest pains someone came along and opened their Bayer sample...gave it to him and was credited by the EMTs for saving the biker's life! Keep some of their product in your bike the life you save could be your own!!

And the last public service announcement I need to deliver is the sun is not our friend. Being on a motorcycle we are exposed to more hours of sun on our faces, ears, lips and hands than our friends who ride in a covered vehicle. The more hours of sunburn the greater the risk of skin cancer. So, thank the guys or girls in the Bayer tents for reminding us with their samples to USE SUNSCREEN! Our skin is our largest organ and our greatest defense against dehydration and infection. We need to protect ourselves every time we go outside! You can't even wear sunglasses if you lose an ear to skin cancer! Apply, apply, apply...several times a day!

As far as I can see this should be the biker friendly company of the year!!!

THE GULF COAST LADIES MOTORCYCLE RALLY

Fun in the Sun in Panama City Beach, Florida

by Marta Rose-Thorpe ~ Marketing & Events, Harley-Davidson of Panama City Beach

The 2017 Gulf Coast Ladies Motorcycle Rally was pure fun-in-the-sun during April Fool's Weekend in Panama City Beach, Florida. Attendees rode into "The World's Most Beautiful Beaches" south from Atlanta and came up north from Ft. Myers... and Florida cities in between. Hosted by Harley-Davidson of Panama City Beach, the Thunder Angels and volunteers, this event kicked off springtime with beautiful weather, live music, great vendors and a clan of happy women doing what they love to do: RIDE!

On Friday, March 31 the rally kicked off with a "Final Friday Bike Night" party featuring old country greats Tex & the South Forty, an Outpost favorite. The cold beer was flowing, served up by American Legion Post 402 & VFW Post 10555, with free Craft Beer Tastings by local brewery Nivol Brewing Co.

Saturday morning started with a beautiful North Florida sunrise, coffee and camaraderie. At 10 AM the Thunder Angels lead a Guided Scenic Ride that headed west to three points: the nature-packed Conservation Park; the stunningly beautiful Eden Gardens in South Walton County; and the biker-favorite Outpost off Highway 20. Attendees returned to Harley in the early afternoon and were treated to a free bike wash, a tasty lunch donated by Chicken Salad Chick, a ladies-themed vendor village packed with apparel, jewelry, health products, pin striping, sunglasses and more. The Don Pedigo Band

headed down from Nashville for two Saturday afternoon concerts, and Barbara Jones of the Thunder Angels lead a Storytelling Hour on the Chill Deck, where rally-goers gathered 'round and swapped riding tales. A five-class bike competition took place in the late afternoon with home-made trophies by BC Custom Metalworks. That evening the fun progressed to Newby's for live music by everyone's favorite local reggae

band, Heritage.

On Sunday morning, the sunshine continued to sparkle while Night AI Productions supplied karaoke on the Harley Stage, and Rally volunteers served up mimosas and breakfast burritos on the Big Deck. By 12 noon most riders hit the road via one of four routes: Highways 231, 77, 79 or Old 98. On the way home ladies were asked to take a few selfie photos to later post onto the Gulf Coast Ladies Motorcycle Rally Facebook page with fun captions.

Throughout the weekend, a photo competition was taking place behind the scenes. Ladies were asked to take photos all weekend and post to the Facebook page. The photos could be submitted into one of four classes of photos, and the best in each class won a prize. Most Scenic won a wine basket donated by Triple H Dustless Blasting. Sportiest won a 4-team Golf Basket from Holiday Golf Club in Panama City

Beach. Goofiest won a one-hour massage donated by local PCB masseuse Tom Nummy; and Most Unique won a two-night stay at Copperhead Lodge in Blairsville, GA, donated by Michelle Evans. To view winners as well as all rally photos, go to [Facebook/sandandsass](https://www.facebook.com/sandandsass).

Harley-Davidson is one of the most evocative and recognizable lifestyle brands in the world. The company has wholly embraced its identity as the vehicular embodiment of freedom, individualism, rebellion and the American way. Come visit Harley-Davidson of Panama City Beach, "The World's Friendliest Harley Dealership," at 14700 Panama City Beach Parkway, one mile east of Pier Park, and visit us online for event updates at PCBHarley.com.

Playin' in the Cat Box

Hey everybody that time again let's learn how to fix something. This time we're going to put new brakes on our 2000 thru 2007 Harley-Davidson. It is going to be so easy you're going to wonder why do shops even charge for it. Personally, in my shop when you buy new tires I always tell people let's put pads on it. I only charge them for the pads it's so simple. The tools we are going to need are some 12 point sockets, a 3/8 drive millimeter 12 point a 1/4 inch drive 12 point and a medium to large flathead screwdriver. The pads that I prefer to use are the Drag Specialties 1721-1365 for about \$25. I use sintered material this is supposed to cut down on the dust. We don't need a lift for this or anything so if you're ready get your stuff in order and let's go.

First, when I get ready to do brakes I tell everybody loosen up that 1/4 inch 12 point that holds the pads inside the caliper. Do not completely remove it. Loosen it enough so that it's easier to remove the complete bolt when you have the caliper in your hand. With the pads being loosened go ahead and take your 3/8 drive 10 mm and take the bolts out of the caliper removing it from the rotor before continuing to take out the old brake pad. Use your medium to large size screwdriver and basically pry it in there to squeeze open the pistons making more room for the pads with more material so they will easily go back over the rotor. Once you have that done take out the 2 smaller 1/4 bolts. Pay attention to which way the pads come out, put them back in and put it all back together in reverse. If you have blue or even some red Loctite you can put a drop back onto the caliper bolt. Be sure to tighten the 1/4 inch and 3/8 very firmly, snugly or whatever, once they are both back on the fork leg.

With one side being done let's go over to the other side and do the exact same thing. If you have a Touring bike, once your pads are installed tightened and caliper returned to the fork leg remember to squeeze your brake lever a few times to reseat the pad on to the rotor or you're going to have one hell of a wakening when you try to drive away.

Well there you go I told you this was going to be easy. Once again if you have any questions or if you have something that you would like to see me cover please contact me at the magazine with your suggestions or complaints. I will do my best to address everything in the style you are becoming accustomed to with me. Thanks for playing in the Cat Box.

POKER RUN FOR Tim Singleton

By LuLu

Well there are some people that the love their families and friends show for them just let you know what a great guy he must be. And that is exactly how we felt when we rode on the poker run for Tim Singleton. Lots of his friends and family had on matching shirts with a slogan that let everyone on the run know how they feel about the disease that is threatening Tim's life. Lots of money was raised and the girl who works at First Turn won the 50/50 and gave the whole \$900 back! Hope everyone tipped her well that day!! But that is how a day of love usually goes. A special thank you to the bars that participated which included Cabbage Patch Bar, Blue Bayou, The Boat Bar and First Turn Steakhouse. First Turn did a dinner to help fund the kitty! A great day was had by all and I know Tim and the family appreciate everyone's generosity.

A farmer was selling his peaches door to door. He knocked on a door and a shapely 30-something woman dressed in a very sheer negligee answered the door. He raised his basket to show her the peaches and asked, "Would you like to buy some peaches, ma'am?" She pulled the top of the negligee to one side and asked, "Are they as firm as this?" He nodded his head and said, "Yes ma'am," and a little tear ran from his eye. Then she pulled the other side of her negligee off asking, "Are they nice and pink like this?" The farmer said, "Yes," and another tear came from the other eye. Then she unbuttoned the bottom of her negligee and asked, "Are they as fuzzy as this?" He again said, "Yes," and broke down crying. She asked, "Oh, dear, why on earth are you crying?" Drying his eyes he replied, "The drought got my corn, the flood got my soy beans, a tornado leveled my barn..... And now I do believe I'm gonna' get screwed out of my peaches."

An air traffic control tower suddenly lost communication with a small twin engine aircraft. A moment later the tower land line rang and was answered by one of the employees. An old pal of the Pilot's, whom was a passenger, was riding shotgun since the Co-Pilot called in ill. He contacted the Tower and yelled, "Mayday, mayday!! The Pilot of this aircraft had an instant and fatal heart attack. I grabbed his cell phone and as I hoped, he had the Tower on his speed dial memory. I am flying upside down at 18,000 feet and traveling at 180 mph. Mayday, mayday!!" The employee in the tower had put him on speaker phone immediately. "Calm down, we acknowledge you and we'll guide you down after a few questions. The first thing is not to panic, remain calm. He began his series of questions: Tower: "How do you know you are traveling at 18,000 feet??" Aircraft: "I can see that it reads 18,000 feet on the Altimeter dial in front of me." Tower: "Okay, that's good, remain calm. How do you know you're traveling at 180 mph??" Aircraft: "I can see that it reads 180 mph on the Airspeed dial in front of me." Tower: "Okay, this is great so far, but it's heavily overcast, so how do you know you're flying upside down?" Aircraft: "The sh*t in my pants is running out of my shirt collar." The husband leans over and asks his wife, "Do you remember the first time we had sex together over sixty years ago? We went

behind the village tavern where you leaned against the back fence and I made sweet, passionate love to you." Yes, she says, "I remember it fondly." OK, he says, "How about taking a stroll around there again and we can do it for old time's sake?" "Oh Jim, you old devil, that sounds like a crazy, but thrilling ideal!" A police officer sitting in the next booth heard their conversation and, having a chuckle to himself, he thinks to himself, I've got to see these two old-timers having sex against a fence. I'll just keep an eye on them so there's no trouble. So he follows them. The elderly couple walks haltingly along, leaning on each other for support aided by walking sticks. Finally, they get to the back of the tavern and make their way to the fence. The old lady lifts her skirt and the old man drops his trousers. As she leans against the fence, the old man moves in. Then suddenly they erupt into the most furious sex that the policeman has ever seen. This goes on for about ten minutes while both are making loud noises and moaning and screaming. Finally, they both collapse, panting on the ground. The policeman is amazed. He thinks he has learned something about life and old age that he didn't know existed. After about half an hour of lying on the ground recovering, the old couple struggle to their feet and put their clothes back on. The policeman, is still watching and thinks to himself, this is truly amazing, I've got to ask them what's their secret? So, as the couple passes, he says to them, "Excuse me, but that was something else. You must've had a fantastic sex life together. Is there some sort of secret to all this to give hope to my wife and I for our future together? Shaking, the old man is barely able to reply, "Sixty years ago that wasn't an electric fence."

Men have two emotions: Hungry and Horny. If you see him without an erection, make him a sandwich.

Life is like a jar of Jalapeno peppers-- what you do today, might burn your ass tomorrow.

Some people are like a Slinky--not really good for anything, but you still can't help but smile when you shove them down the stairs.
