LETTER FROM THE EDITOR

March came and spring has sprung. Daytona Bike Week was a total blast as usual and went off without a hitch. Beth's big 70th birthday celebration with family and friends was a huge success. So now, the beautiful riding weather takes us into April and there is no shortage of cool, fun stuff to do. It seems like the action never stops in Florida. How lucky we all are to live here and enjoy the Sunshine State. There are 3 jam packed weekends to navigate this month in central Florida. It all begins on Sat April 6th with the 2nd annual Saddle Up for St Jude Ride out of the Iron Horse Saloon in Ormond Beach. We are looking to shatter last year's donation amount and with everybody's help we can do it. Please come and ride to support this great cause. April 19th - 21st is the second annual Vintage Iron Rally held at Scooter Haven in Inglis. Bike shows, music, and partying are in store and lots of camping is available if you don't want to leave. This is a charity event as well so see their ad inside for details and meet us over there. Jeep Beach invades Daytona 4/19-4/28 with a music fest featuring Lee Brice on 4/26 at International Speedway. April 20th is the 24th Riding Into History in St. Augustine, it is being held at a new location the Classic Car Museum of St. Augustine! Then, from the 25th thru the 28th is the Leesburg/Gator Harley Bike Rally. This is one of the largest weekend motorcycle events in the U.S. and a can't miss. It is also one of my favorites of the year. This time Gator H-D is adding a bikini contest on Friday from 4-8 pm and I have a feeling there is going to be some serious "talent" on stage, if you catch my drift. Headliners at the downtown stage are LOCASH, Sugar Ray, and Austin Snell. Also, a minute down the road at Ferran Park on beautiful Lake Eustis is the annual Eustis Music Fest. Something different this year is the addition of drag boat racing on the water. Do Speed Boats and motorcycles mix? I think so! Make your plans for this weekend early, it's gonna be awesome! Right in the middle of all that is my 66th birthday on Tues 16th. I don't know where all that time went, but all I can do is keep riding to stay young.

See Ya on the Road,
 T.J.

THUNDER BY THE BAY 2024

By LULU

For 26 years Suncoast Charities for Children has thrown a great motorcycle & music festival in Sarasota. In the history of the festival, Lucy says they never have had to cancel two headliners! This year ironically the rain gods shut the concert down early, and it happened during Stormbringer's performance on stage. The skies opened and safety concerns forced the cancellation of Grand Funk Railroad with Sunday being a total washout. BUT that didn't stop the charity fundraising from being a success, thanks to those who braved the weather, a \$25,000 donation match from the James M. Doss Charitable Foundation, and other festival events, still managed to raise \$150,000.

In 2023 they raised \$350,000 so it was a disappointment for the charity staff and volunteers who put their hearts and souls into this event. Total net revenue raised over the past 26 years, under the leadership of Lucy Nicandri, has been a whopping \$27.5 Million. One project from the funds raised this year will be a brand-new playground for at risk children with special needs at Children First in Venice, FL.

CONTINUED...

The festival features 3 days of live music at the fairgrounds, vendors, bike shows, a sound off, VIP tent and charity auction, wrestling and much more. We did get a great night of Molly Hatchet on Friday with the largest crowd I have seen on a Friday. Let's make Thunder by the Bay in 2025 their biggest event ever!!! The dates are February 14-16th! Their website is suncoastcharitiesforchildren.org

MIDWEST MOTORCYCLE 30th ANNIVERSARY BASH AT BEAVER BAR

BY JEANI G.

Shifting this annual event by a week due to rainstorms was a great call - as the weather couldn't have been more glorious! **Midwest Motorcycle's 30th Anniversary Antique & Custom Bike Show** on February 25th started out a little chilly for riders, but quickly turned into a beautiful warm, sunny day. Once again, Heavy and Christine threw an amazing bike show and anniversary party, filling the Beaver Bar to capacity!

Leslye, owner of the Beaver Bar, served up the usual delicious Sunday breakfast buffet. The lot filled up pretty quickly with a myriad of antique and custom bikes to make the judging difficult, with over twenty-five different classes. The amazing trophies were handcrafted by Jared - each one as unique as the bikes in the

show ... and each winner was able to pick the trophy of their choice! The servers kept the drinks flowing, vendors were busy selling their wares, while Judi Behave entertained the crowd all day long with their intense classic rock music and powerhouse vocals.

If you've never been to Midwest Motorcycle shop, you really need to pay them a visit. Located on Beach Street in Daytona, they are a full service shop whose friendly staff does it all - sales, service, rentals, parts, custom builds, welding, full machine shop, powder coating, painting ... even 24-hour towing. They are located at 444 N. Beach St., Daytona Beach. Phone is 386-257-6265 and check out their website MidwestMotorcycleDaytona.com.

A huge thank you to everyone who came out to help Midwest Motorcycle celebrate their milestone 30th anniversary. To quote Heavy, this year's event was "epic." Midwest's bike show takes place every February - be sure to come join the fun next year ... and tell them Thunder Roads Florida sent ya!

Find the winner's photos and all the photos of the day on Thunder Roads Florida Facebook page!

BIKING BUSINESS: LEGACY CIGAR AND HEMINGWAY'S WINE & CIGAR BAR

By Lulu

Andy Thompson opened Hemingway's Wine & Cigar Bar a few years back and has turned it into a great spot in Tavares. Hemingway's has a nice walk-in humidor and serves a wide selection of beer and wine. Outside seating on W. Ruby St. is an enjoyable perch to watch the flow of peeps coming and going. Since TJ enjoys a good cigar and I enjoy a glass of wine with friends that has always been a stop when we are in the Tavares/Leesburg area. They have been supporting Thunder Roads Magazine ever since Andy opened his doors. Now Andy has added a new endeavor to keep him busy. Legacy Cigar opened in July and is right smack in the cool part of Mt. Dora at 525 N. Donnelly St. This spot also has a walk-in humidor for your cigar shopping! I love the gated porch for outside chatting with old and new friends. The new cigar shop is closed Monday, open 10a-6p Tuesday through Thursday, Friday & Saturday 10a-8p and Sunday 10a-6p. So, while in town for Leesburg Bike Fest or anytime you are in the area check out Andy's enterprises. He loves to hear bikes pull up!

JOKER'S WILD

A woman from New York was driving thru a remote part of Arizona when her car broke down. An American Indian on horseback came along and offered her a ride to the nearest town. He held out his hand and let her get situated riding behind him on his horse, and off they rode. The ride was uneventful, except that every few minutes the Indian would let out an extremely loud YeeeeeeeHawwww!! so loud in fact that it echoed from the surrounding hills and canyon walls. When they arrived in town, he let her off at the local service station, yelled one final YeeeeeeeHawwww!!, and rode off. "What did you do to get that Indian so excited?" asked the service station owner. "Nothing at all," replied the woman. "I merely sat behind him on the horse, put my arms around his waist and held onto the saddle horn so I wouldn't fall off." The station owner looked at her, shook his head and said, "Ma'am, Indians don't use saddles." YeeeeeeeHawwww!!

Friend: So what are you up to today?
 Me: Drinking & pole dancing.
 Friend: Oh, so coffee and mopping the floor.
 Me: Yep, hot mom chit.

With a very seductive voice a wife asked her husband "Have you ever seen \$20 all crumpled up?"

"No" said her husband, wondering where this was going.

She gave him a sexy little smile, unbuttoned the top three buttons of her blouse and slowly reached down in her cleavage created by a soft, silky pushup bra and pulled out a crumpled twenty dollar bill.

He took the crumpled bill from her and smiled approvingly.

She then asked "Have you ever seen \$100 all crumpled up?"

"No I have not" he said, an anxious tone in his voice.

She gave him another sexy little smile, pulled up her skirt, seductively reached into her tight sheer panties and pulled out a crumpled fifty dollar bill.

He took the crumpled bill and started breathing a little quicker with anticipation.

"Now" she said "Have you ever seen \$50,000 all crumpled up?"

"No way!!" he shouted, becoming even more aroused and excited, to which she purred and replied

"Go look in the garage."

Sometimes I sit and ponder the fact that there are actual human beings out there, who walk among us, that don't like cheese....like no kind of cheese at all. Not that they have serious diet constrictions and can not eat it due to health reasons, Noooo!, it's the fact that they just do not like cheese. wth???

Before all our smartphones, when there was the time change to 'spring forward', it was so cool to show up to work an hour late and blame it on the alarm clock - Ahh, good times when it was old skool.

I know my dog loves me, but if I had a squeaker in me, he would gut me like a fish.

Bubba and Leroy are at their watering hole and Leroy says, "So you're saying after 20 years of marriage, your wife still thinks that you're sexy?"

Bubba replies, "Yes! I walk around naked on the weekends cause the kids moved out, but every time I pass her she looks me up and down and says, "What an ass!"

Me and the wife were on a road trip and she needed to pee (again) and saw a sign for the next exit, that read: 'Welcome To Peckers Cutoff' and underneath it read: Population 2 We looked at each other and our eyes got really big and I felt my foot puttin' the pedal to the metal, and we aint talked no more about that, but I can't get it out of my head.

I don't know who is writing the sayings that go into the fortune cookies these days, but mine just said: Find a man who strokes your hair and tells you how soft it is and doesn't even mention or care that's it's on your legs.

My 6 year old was sitting on the couch and she looked sad and I asked her what's the matter and she said "I was just wondering if Jelly Fish are sad that there isn't any Peanut Butter Fish." And now, I can't get it out of my head.

Male bees die after mating. That's basically their life. Honey. Nut. Cheerio.

Exercise makes you look better naked. So does Tequila.
