LETTER FROM THE EDITOR

I love April. It is my favorite month of the year for a few different reasons. Growing up in Massachusetts, it always signaled that Springtime was here and summer was coming fast. Beautiful weather with warm sunshine was always welcome. It is also my birth month which is always exciting. Who doesn't get excited about their birthday, right? April also brings the perfect riding weather to Florida; summer travel and riding plans are taking shape and there are a couple of great rallies to get us warmed up. Leesburg Bike Fest is an awesome weekend event that is jam packed full of entertainment options. They feature a massive concert lineup featuring Fuel, Lit, and for us older folks, The Marshall Tucker Band, as well as many others. There are bike shows, a wall of death, pro wrestling, a motor skills drill team, and more. In the middle of it all and 1 Mile from downtown is Gator Harley-Davidson which is a rally of its own. This is where you go for everything motorcycle. Bikes, live music, vendors, etc. The surrounding Lake County area is beautiful with plenty of great country riding. If you have a couple of hours to get out and explore, there are many options. So many local businesses support Thunder Roads Florida and really put in the effort to make your visit fun and enjoyable so get out there and show these hard-working people some love. Big Bass Grill in Lake Panasoffkee is a great ride and lunch stop, Legacy Cigars in

Tavares and Mt Dora is a nice smoke and relax break, Chicago Brewery, The Warehouse, Eator's Beach, Chill Pub, Hurricane Dockside, Cousin Vinnies, Franks Place, and Dirty South Saloon are all happy to welcome our readers with open arms. See the ads in this issue for details. Tell em Thunder Roads Florida sent you, and as always, if you see us out and about, please come over and say Hi!
See ya on the Road,
T.J.

Occasionally, someone submits something that I need to find space for in the limited pages we can afford to print each month. And Joe's poem I felt would be enjoyed by all who read and ride. Thank you for the submission, Joe, this is exactly how we all feel about "The Ride." Enjoy the read, try a new highway and don't forget your sunscreen!

by Joseph J. Vandruska
Orange City, FL

Pack my bags, get ready to go.
Harley's idling, ready to roll.
The route's been planned, from dawn to dusk.
Rest stops here and there, for both of us.
Open road ahead, sites to be seen.
As we continue on, feeling serene.
Waterfalls, mountains, people and towns.
As the old Harley don't let me down.
Heat from my bike, while sitting at a light.
Heat from the sun, and its glare so bright.
Pass through cold pockets, chill the skin.
The tunnels through the trees, rays of light filter in.
A smile on my face, the excitement I'm feeling.
Tears from my eyes, winds rushing by.
Keep gas in her tank, food and drink in my belly.
The headlight takes over, when daylight is gone.
So, my Harley keeps moving along.
A tent and bedroll, when the day is done.
The Harley's resting now, so am I,
But in the morning, we'll be ready to fly.
Me and my Harley, till the day I die.

Midwest Motorcycle's 31st Anniversary Antique & Custom Bike Show

BY JEANI G.

The weather could not have been more beautiful for Midwest Motorcycle's 31st Anniversary Antique & Custom Bike Show at the Beaver Bar in Ormond Beach on Sunday, February 23rd. Heavy and Christine outdid themselves again with an awesome bike show and anniversary party, filling the venue to capacity! This bike show never disappoints and is always a great event to hook up with biker friends you haven't seen in a while and to meet some great new folks.

The Beaver Bar served up their well-known delicious Sunday breakfast buffet. The lot was overflowing with antique and custom bikes as far as the eye could see, making the judging a difficult task, with over 25 different classes. Jared handcrafted the one-of-a-kind trophies, each as unique as the bikes in the show ... and each winner picks the trophy of their choice! The servers kept the drinks flowing, the vendors were busy selling their wares or services, Professor Messer provided morning music, while Fat City band kept the party rocking all day long - this band makes you wanna get up and dance!

Be sure to stop by Midwest Motorcycle's shop for all your motorcycle needs. Located at 444 N. Beach Street in Daytona Beach, they are a family owned and operated full service shop, whose friendly and knowledgeable staff does it all - sales, service, rentals, parts, apparel, custom builds, vintage bike restoration, painting ... even 24 hour towing. Phone is 386-257-6265 and check out their website at MidwestMotorcycle.com.

Thank you to everyone who came to the celebration! Midwest's bike show takes place every February - be sure to mark your calendar and come join the fun next year! Find the winners' photos and all the pictures of the day on Thunder Roads Florida Facebook page in the Midwest Motorcycle 31st Anniversary album under photos. Winners are listed below!

Gator Harley-Davidson's 31st Anniversary Party

By Lulu

Gator Harley-Davidson in Leesburg has been selling the motorcycle lifestyle for 31 years!! Family owned and operated, the Malik family with the help of Jan, always make sure their customers feel appreciated. Their involvement in charities, bike nights, veteran needs and with the firefighters, shows they care. Jan and the dealership put much effort into making it feel like home. The 31st Celebration included a bike show and sound off by Elite Baggerz out of Leesburg, a parking lot full of vendors, the band Hayfire on stage, and to make the day complete, a chili competition! Whether shopping for a new ride, pipes, T-shirts, or bling, check them out while in town for Leesburg Bikefest. See their ad in this issue for the line-up of entertainment. More photos from the party are on Thunder Roads Florida Facebook page.

Cotee River Bike Fest 2024 Arrived in 2025!

By Lulu

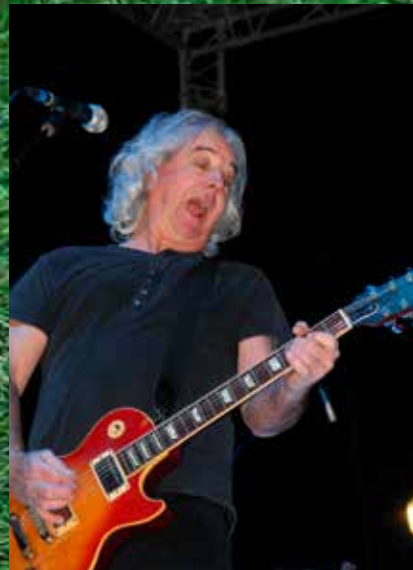

One of our favorite weekend rallies is on the banks of the Cotee River in downtown New Port Richey. Three stages, vendors, great music, a beautiful park setting, streets closed to motorcycles, then throw in a bikini contest (this year in an old theater) and a bike show hosted by Minh from Venom Cycles, what more could you ask for. Well in this instance a lot more!

The Fire & Iron MC hosts a poker run on Saturday morning out of the H-D of New Port Richey to raise money for a children's burn victims camp. Nothing better than combining fun with helping others! Cotee River Bike Fest usually occurs in the fall, but due to Hurricane Helene ravaging the west coast of Florida, they had to make a decision that anyone who has put so much effort into organizing hates to call. They rescheduled it! That means the bands, the vendors, the logistical team, the poker run... all of it has to be reworked! Well Tina & Steve Farrell and their crew pulled it off and the show went on mid-January without a hitch!

CONTINUED...

They got lucky most of the weekend. It really didn't rain much until the last day, although rain was projected for the weekend. One of the reasons we love this event is since the first one we attended we got to be friends with Tim Fussell and his crew at Little Corona Cigar Bar. That is our home base while we are in town. We love those guys! The music at the rally in January was outstanding with Bearded Brothers, Jasmine Caine, Bobby Friss, Signs of Sacrifice, Scream Machine, Hypersona, The Wicked Serenity, Dirty White Boys, Powerhouse 2.0, Disaster Piece, Plush Velvet, Remnants Alter, Supply Chain, Alter Ego, Jack Knife, All Jacked Up and one of my personal favorites The Hair of the Dog. I have confirmation that they are going to move it back to October so join us in New Port Richey, although the date hasn't been set at print time. More photos of the weekend are on Thunder Roads Florida Facebook. A special thank you to Fran Haasch law firm, The Kangaroo, the City of New Port Richey, Harley-Davidson of New Port Richey, Monster Energy, Brown & Brown Insurance, Doran, Beam & Farrell law firm and Team Farrell.

RUSSELL "Grizzly" GRANDSHAW Celebration of Life

BY JEANI G.

On January 18th a celebration of life was held for Russell "Grizzly" Grandshaw, or as many of you know him, the "Beef Jerky King". His beloved Linda "Mother Nature" hosted the beautiful event at the Seminole Fraternal Order of Eagles #4147 in St. Petersburg, FL.

Originally from upstate New York, Grizzly was a Veteran who proudly served in the US Navy as a Hull Maintenance Technician Fireman (HTFN). He settled in Pinellas Park Florida where he owned and operated a successful roofing business and he and Linda became longtime residents and motorcycle enthusiasts. Grizzly was larger than life ... he always had a welcoming, infectious smile for friends and strangers alike. He loved to cook and often did so for community and charity events where he'd feed hundreds of people, as well as get-togethers with friends! Grizzly made the best beef jerky by far ... unique in that he thinly sliced sirloin bottom round and smoked it in actual wood-burning ovens.

Gator Ken and I first met Grizzly and Linda about 26 years ago at Nova Campground in Port Orange during Bike Week; we had so much fun riding, watching concerts, cooking and telling stories around the campfire, that we all kept the same campsites for many years and became fast friends. Our group of campers included Foot & Kim, Doug & Connie, Al & Sharon, Steve & Bev, Ed & Jeri, Billy & Susie, Fred & Mary, Shovelhead & Deb, Brenda & Eddie, Junkyard, Buzz, Dawn, Tina, Frankie and too many more to mention. Over the years, we've lost several friends from this group, but they all live on within our hearts and memories.

It was really nice to see and catch up with our Nova Campground crew albeit the circumstances ... so many wonderful memories of the great times we shared ... ride free Grizzly, you're forever in our hearts! More pictures from the day can be found on Thunder Roads Florida Facebook page - just look under photos for the album called "Grizzly's Celebration of Life Jan2025".

PIRATE'S PUB 18TH ANNIVERSARY BASH

By Lulu

2025 marks the 18th year of celebrating Pirate's Pub in Paisley. The years have had some trials, as at one point the building was lost to a fire. But Mark and Tanya have the place in tip top shape, and it continues to be a good destination ride for those of us who like to ride. For the anniversary, a free spread of yummy food was devoured by the hungry masses. The band Steel Kickin played on the outside porch and even got some up dancing. If you haven't found the Pirate's Pub it is situated out on County Road 42 which is a beautiful country highway with little traffic. They throw a great "Too Broke for Sturgis Party" in August, but don't wait for that... ride out to the Pub and let them know Thunder Roads Florida sent you!

TWISTED TEA BIKE NIGHT AT SORRY CHARLIE'S CORNER

By LULU

Each month one of our ad client's that has a monthly or weekly Bike Event is scheduled for a Twisted Tea Party. In March, right after Bike Week we scooted over to Sorry Charlie's for their Thursday night Bike Night that features live music. We had a special treat as Keg Country was singing the night away. We played strongest woman and strongest man games; beautiful Katye sampled several types of Twisted Tea for the crowd including my new favorite Twisted Tea Lite. You can't get it everywhere, but you can at Sorry Charlie's!! The next party will be at Goodfellas Beer & Wine in Edgewater on Saturday, April 19th, from 7-10pm, live music, beer bucket specials, food truck and \$3 Twisted Tea that night. Come out and play. More photos from Sorry Charlie's party are on Thunder Roads Florida Facebook.

LONG'S LOG CABIN BAR IN WELAKA - ALWAYS FUN!

BY JEANI G.

If you're looking to spend a great time with friends or to meet new ones, take a country ride out to **Long's Log Cabin Bar**, a quaint hometown bar tucked away in the center of Welaka. This historic bar is Biker/Veteran owned by Waylon and Tonya who are just wonderful people, and they truly support their locals, Veterans, bikers, and live music.

We stopped in on February 15th when the band Penta rocked the stage with their brand of classic rock, 70's/80's and funk sound. The place was absolutely packed with locals and folks from afar. There were three birthday parties going on: Brandi, Paul, and Mary Jane. Lots of folks hit the dance floor, while the staff cheerfully served up ice cold beer, cocktails and great munching bar food, pizza, and wings.

They also throw amazing, themed parties - we attended their March 4th Fat Tuesday/Mardi Gras party where dressing in Mardi Gras flair was encouraged ... it was so much fun - lots of bright-colored outfits with masks and beads galore! They served delicious homemade jambalaya, gumbo, and corn bread. JW Gilmore and the Blues Authority Band entertained the crowd all evening, with lots of folks tearing up the dance floor all night long.

There's always something special going on: Mondays pool tournament; Tuesdays Texas Hold 'Em; Wednesdays Karaoke (1st and 3rd Wed each month) - sometimes Trivia night, sometimes acoustic music; Fridays and Saturdays live music and Sundays Sports. They post each week's schedule on their Facebook page and the bar is located at 699 3rd Avenue, Welaka; or give them a call at (386) 603-5040. Be sure to take a ride out sometime soon and let them know Thunder Roads Florida sent you!

JOKER'S WILD

A father walks into a restaurant with his young son.... He gives the young boy 3 nickels to play with to keep him occupied.

Suddenly, the boy starts choking, going blue in the face... The father realizes the boy has swallowed the nickels and starts slapping him on the back.

The boy coughs up 2 of the nickels, but keeps choking. Looking at his son, the father is panicking, shouting for help.

A well dressed, attractive, and serious looking woman, in a blue business suit is sitting at a coffee bar reading a newspaper and sipping a cup of coffee. At the sound of the commotion, she looks up, puts her coffee cup down, neatly folds the newspaper and places it on the counter, gets up from her seat and makes her way, gracefully, across the restaurant.

Reaching the boy, the woman carefully drops his pants; takes hold of the boy's testicles and starts to squeeze and twist, gently at first and then ever so firmly.. After a few seconds the boy convulses violently and coughs up the last nickel, which the woman deftly catches in her free hand. Releasing the boy's testicles, the woman hands the nickel to the father and walks back to her seat at the coffee bar without saying a word.

As soon as he is sure that his son has suffered no ill effects, the father rushes over to the woman and starts thanking her saying, "I've never seen anybody do anything like that before, it was fantastic. Are you a doctor?"

"No," the woman replied. "I'm with the I.R.S."

Bert wakes up in the hospital, bandaged from head to foot. The doctor comes in and says, "Ah, I see you've regained consciousness. Now, you probably won't remember, but you were in a pile-up on the freeway.. You're going to be okay, you'll walk again and everything, but..... something happened. I'm trying to break this gently, but the fact is, your willy was chopped off in the wreck and we were unable to find it." Bert groans, but the doctor goes on, "You've got \$10,000 in co-insurance compensation coming and we have the technology now to build you a new willy that will work as well as your old one did -better in fact! But the thing is, it doesn't come cheap. It's \$1000 an inch."

So, the doctor says, "it's for you to decide how many inches you want.. But it's something you'd better discuss with your wife. I mean, if you had a six-inch one before, and you decide to go for a ten incher, this can totally change your sex life.

But if you had a nine-inch one before, and you decide only to invest in a six-incher this time, she might be disappointed. So it's important that she plays a role in helping you make the decision." Bert perks up at this news considerably and agrees to talk with his wife. The doctor comes back the next day. "So," says the doctor, "have you spoken with your wife?"

"I have," Bert replies. "And has she helped you in making the decision?" "Yes, she has," Bert replies. "We're getting granite countertops."

Two young businessmen in California were sitting down for a break in their soon-to-be new store in the shopping mall. As yet, the store wasn't ready, with only a few shelves and display racks set up. One said to the other, "I'll bet that any minute now some lame-ass senior is going to walk by, put his face to the window, and ask what we're selling." Sure enough, just a moment later, a curious senior gentleman walked up to the window, looked around intensely and rapped on the glass, then in a loud voice asked, "What are you sellin' here?" One of the guys replied sarcastically, "We're selling ass-holes."

Without missing a single beat, the old timer said, "Sales are good. Only two left."

Drove by the local "Tote Your Note" and big sign out front declaring; "Want To Get Back On Your Feet? Just miss 2 of Your Payments."

Food for Thought: No One Can Use You If You Are Useless.

The difference between booze and weed?
Five drunk people will start a fight.
Five stoned people will start a band.

My neighbor yelled over and asked "Hey! I hope our pool party didn't disturb you too much last night."

I just shrugged my shoulders and said, "Nah, after a couple toddies, I could sleep through a tank driving through my back yard." He just laughed and continued cleaning up the huge mess from his pool party, which I gotta' admit was one of the best I've ever not been invited to filet mignons, champagne, imported beers, top shelf tequila, top shelf strippers, wooweeee! tires me out just remembering it all. Time for a nap.

HAPPY EASTER TO ALL YOU HIPPIITY HOPPITY BIKERS.
