LETTER FROM THE EDITOR

I hope everyone is making it through the Dog Days in good shape. The heat has been brutal, but we have to push ahead. I'm still on my bike almost every day, a lot of times dodging rain and sometimes getting soaked, but that's the way it goes. Better days are coming soon! In August we always look forward to the biggest party event on Thunder Roads' radar. Too Broke for Sturgis party at Pirates Pub in Paisley is a blast. This year we are too broke, but even when we aren't we still get excited about Mark's party. Take a beautiful ride out through the woods on Sat the 8th and enjoy the live music and ice-cold adult beverages.

Gator Harley-Davidson is well known for their generosity and support of charities. This month they are hosting 2 big events for St Judes. Saturday the 15th is their Casino Night. We went last year and had a lot of fun gambling for a cause. And then on Sat 29th is the Cruisin for St Judes ride. That's a big one that you won't want to miss. Gather your riding peeps and show up to support the kids, it ends this year at Dirty South Saloon. See the ad in this issue!

This issue contains a feature article about OCC Roadhouse and Museum and their recent spring event. We have been attending this one for the last few years as well as the fall event coming up in November. While looking at the pics and recounting the weekend, I was reminded of a restaurant we have been eating at the last several trips over to Pinellas. Parkside Café is a well-

known local spot that a parking lot attendant recommended when we asked him where to eat. The food is exceptionally good, the price is right, and the service is top notch. The place is always packed for a reason. Thanks to the management and staff for being friends of Thunder Roads Florida.

See ya on the road,
T.J.

INVITATIONAL BIKE SHOW

By LULU

OCC Road House & Museum was hopping in May for the Invitational Bike Show, brought to you by OCC Road House, Bert's Barracuda Harley-Davidson, Fran Haasch Law Group, Budweiser, and Visit St. Pete-Clearwater. This was an amazing display of artistic talent! Friends of ours from Massachusetts, Picozzi's Custom Paint, took home three trophies!

INVITATIONAL BIKE SHOW WINNERS 2026

The event started on Friday with the vendor and builders' load-in, and TL Jentgens brought his amazing talent on the drums and singing to the stage. Saturday, the builders' bikes were displayed inside Bert's Barracuda Harley-Davidson. There was a ride-in bike show hosted by Fran Haasch Law Group, and some of the winners' photos are featured here. Then, some of the winners of the Invitational were presented with their awards on stage while Scream Machine entertained the packed pavilion.

CONTINUED ...

Sunday started with the Sunshine Skyway Ride led by Paul Sr. Bert said it was a record number taking the ride on a beautiful, sunny day. The afternoon included more trophies for the builders and the great music of Shovelhed!

If you haven't visited OCC Road House & Museum or Bert's Barracuda H-D, it is an impressive venue, to say the least. The food is awesome, and the staff is always willing to please!

Mark your calendars for the 2027 Invitational Bike Show, May 21–23. Plus, coming in November is St. Pete BikeFest, the weekend of November 19–22! Saddle up, mark your calendars, and we can't wait to see you all there!

OB'S 2026 AMERICANA BIKE SHOW

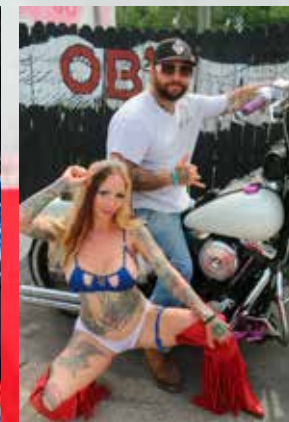

By LULU

America is celebrating our 250th Anniversary this year, and at OB's there was a lot of patriotism in the air! The show was packed as it has been since the first one eight years ago! This year several of the bikini contestants that had registered didn't show up but the 5 girls that did gave it their all to walk away with \$1000!!! This year's winner was Brandie! The band Megan Gunn and the Pistoleros rocked the place. Owners of other bars were in the crowd including Lisa and Sheldon from The Hideaway Bar & Grill in Pomona Park, Ethan from The Inn Between in Deland and Jim Lynch from Good Fellas and Godfather Custom Cycles in Edgewater. Jim had a motorcycle malfunction on his way out and someone sent a photo of him riding bitch which I just HAD to include in this issue! This year the amazing staff of beautiful bartenders that serve you with a smile...served you with painted tatas! This bar always goes all out to please the crowd. Scooter Joe, of Feed the Obsession served Great BBQ. The 2026 Best in Show winner was Mike Hosmer! A special thank you to Rue & Ziffra for their continued support of this bar's special events!

HEALING WITH COMPASSION:

WALLACE HEALTH MARKS 5TH ANNIVERSARY WITH EXCITING NEW THERAPIES

As we travel the highways of life, we meet interesting people who impact our lives. Friends, loved ones, bosses, sometimes even strangers can have positive or negative effects on your journey we call life. Often a great medical provider can have the biggest impact! And when that doctor or nurse isn't just proficient at what they do but are also excited about your health and improving it...that really matters. Colleen Wallace embodies that in her practice in Umatilla...Wallace Health. Not only are Colleen and her husband Ken, running a successful medical practice that focuses on keeping you fit and vital, but they also care about their community and the needs of those they come in contact with. This month at Gator Harley-Davidson Colleen is helping with school physicals at Bikers & Bookbag day on August 1st. She also has been a speaker at Ladies events for Jan at Gator H-D. They are big supporters of St. Jude too! Another absolute fact about the Wallace Family is they are patriots. They love America and our veterans. Recently they arranged for me to meet Joe Biggs who is a veteran that was incarcerated for several years over the January 6th event. After serving ten years in the Army's 82nd Airborne he received two Purple Hearts. Colleen and Ken met Joe who is from Ormond and heard his CPAP machine he needed for his health and everything he owned was not returned when he was released from prison. He lost everything from

that incarceration! Ken and Colleen are members of Born to Ride for 45, in fact Ken is the Florida Chapter Vice President. They both have been to events at Mar-a-Lago. Ken and Colleen decided to help get Joe a much-needed CPAP. Angie from Wallace Health and Ken, along with the help of Pete Frank from Advent Health, were able to get Joe a replacement for his CPAP. Advent Health Respiratory & Equipment, which serves Volusia, Lake, Sumter, and Marion Counties supplied Joe with his brand-new CPAP. This simple act of compassion made a big difference in Joe's health and sleep!!! That is the kind of medical provider Wallace Health is! They both love making people's lives better.

Oh, and did I mention that they live LARGE! Neither Colleen nor Ken allow getting older to slow them down. They constantly are working, riding their trikes, working the farm, going to concerts, and are even going hog hunting with Ted Nugent...the real Ted Nugent!

Below is a bit about what Wallace Health offers patients.

The chaos of the emergency room was where Colleen Wallace, AGNP, began working in health care. As much as she thrived on the high energy of that environment, there was something missing.

She wanted to help people heal and live healthier lives—something that wasn't going to happen in an emergency setting.

In January 2021, she and husband Ken opened Wallace Health in Umatilla. "He's my partner in the practice and a big part behind the scenes," says Colleen.

Since then, Wallace Health has become known for individualized attention in both traditional and holistic care. Patients come for a wide variety of wellness services, screenings and treatment for illness and injuries. In addition to walk-ins and urgent care, the practice also offers aesthetic procedures.

Wallace Health can provide stem cell therapy, Exosomes, Peptides, Biote, Botox, Juvéderm and now has the Artemis T-Shape 2 "The Artemis was developed in Italy and came to the U.S. at the end of 2025," says Frances Stanley, health coach at Wallace Health who regularly treats clients with the device. "The first Artemis only addressed fat reduction, but this one also addresses collagen rejuvenation, tightens skin, reduces the appearance of cellulite, and provides massage for lymphatic drainage."

Many people want to see improvement but are reluctant to go "under the knife." The Artemis T-Shape 2 provides noticeable results without surgery utilizing thermal stimulation, lymphatic activation, and tissue remodeling.

JOKER'S WILD

"Squiggy" and his wife, Joletta, are having hard financial times, so they decide she'll become a hooker. She's not quite sure what to do, so "Squig" says, "Stand in front of that bar and pick up a guy. Tell him a hundred bucks. If you've got a question, I'll be parked around the corner."

She's not there five minutes when a guy pulls up and says, "How much?" Joletta says, "A hundred dollars." Guy says "Dang, All I've got is thirty." She says, "Hold on." She runs back to Squiggy and says, "What can he get for thirty dollars?" Squig ponders and says, "A hand job". She runs back and tells the guy all he gets for thirty dollars is a hand job. He says okay, so she gets in the car, he unzips his pants, and out pops an astonishing HUGE pecker. Joletta stares at it for a minute, and then says, "I'll be right back." She runs back around the corner and says breathlessly, "Squig,, you reckon you can you lend this guy seventy bucks?"

A little boy and a little girl attended the same school and became friends. Every day they would sit together to eat their lunch. They discovered that they both brought chicken sandwiches every day! This went on all through the fourth and fifth grades, until one day he noticed that her sandwich wasn't a chicken sandwich. He said, "Hey, how come you're not eating chicken, don't you like it anymore?" She said "I love it but I have to stop eating it." "Why?" he asked. She pointed to her lap and said "Cause I'm starting to grow little feathers down there!". "Let me see" he said. "Okay", and she pulled up her skirt. He looked and said, "That's right. You are! Better not eat any more chicken." He kept eating his chicken sandwiches until one day he brought peanut butter. He said to the little girl, "I have to stop eating chicken sandwiches, I'm starting to get feathers down there too!" She asked if she could look, so he pulled down his pants for her. She raised her eyebrow at him and said "Oh my, it's way too late for you! You've already got the neck and the gizzards."

When little Tony Soprano returned home from elementary school, in his youth, he told his Dad he got an F in math. "Why?" asks the father? "The teacher asked 'How much is 2x3', I said '6'", replies Tony. "But that's right!" says his dad. "Yeah, but then she asked me 'How much is 3x2?'" "What's the fooking difference?" asks the father. "That's what I said!", little Tony yells.
