LETTER FROM THE EDITOR

I hope everybody is enjoying their summer and keeping cool in this heat. The bike rally schedule has left Florida for cooler northern locations which gives us the opportunity to get away and do some motorcycle traveling. We are making plans for trips to New England and The Smoky Mountains in between putting the magazine together and the distribution week each month. We will be popping in and out of Florida during July, August, and September. Thankfully the magazine production can be done wherever there is an internet signal.

It is not all doom and gloom here in July. There are 4th of July 250th celebrations at every turn. Check the ads in this magazine for details. Drifters Riverfront in Astor has a big one under their beautiful new Tiki Hut. You really must check this venue out. It's a great improvement to an already awesome property. The Wheel In Brooksville has a

2-day weekend 2nd Anniversary/4th of July party that will rock. Looking a bit ahead to August 8th is the annual Too Broke for Sturgis Party at Pirate's Pub in Paisley. Put that one on the calendar for next month. It's a major bash. Everybody ride safe out there and keep cool.

See ya on the Road,
T.J.

Bull Connors

Recently a business owner in Florida that everyone seemed to like committed suicide. In July 2006, Bull the original owner of Thunder Roads Florida, a guy that loved life and motorcycling...who was leaving the next Tuesday for his first trip to Sturgis shot himself. A week before that trip! He also was looking forward to an all-expense paid trip to the Playboy Mansion the following month. None of that mattered that Tuesday night. I can instantly think of at least 15 people that I knew well who tragically took their own life, one was just a child of 14, another a young cute girl in her 20's hung herself. And the reason that I am writing this is: 49,000 people end their own life on average each year. 132 in the USA a day! 22 veterans a day! When I first wrote of Bull's death, I wanted people who think of taking their life to know the pain they are trying to end is like a torch passed to those they leave behind. Their mothers are in shock. Their loved ones in total grief and disbelief. Their children have forever lost a parent they need! I lived it. Suicide totally changes those you leave behind. Reach out to someone if you need help dealing with despair. I Googled how many suicides a day in the US and a recording came on instantly before the information telling me to call a hotline for help 988 is the number to call! Or tell a friend. Depression is real...it is draining...and those that suffer feel hopeless. Another sunrise is only a phone call away. Hold your friends close, call your mom and don't forget your sunscreen...

IRON HORSE SALOON'S SADDLE UP FOR ST. JUDE

By Lulu

\$\$\$126,128...can we say WOW!!!! That is what Sherry and the volunteers, musicians that auctioned their guitars, businesses that donated items, sponsors like Rue & Ziffra Law Firm, Barton & Barton, Hot Action Sportswear, JJ Amusements, Beyer & Brown, Suck Bang & Blow in Myrtle Beach, Broken Spoke Saloon, Iron Horse Saloon, Food Supply, AOK Guns that raffled guns, Drifters Riverfront Bar & Grill and individuals that purchased raffle tickets, guitars, poker hands, played in the cornhole tournament, raised for St. Jude's. Great BBQ was served by Feed the Obsession for those who rode on the ride. Every single person who gave of their time to ride Saddle Up for St. Jude, or work the event, and the countless hours of planning the team spent, all made this HUGE!!! Crashrocket was rocking the stage when the riders completed their run. Stops this year included Sorry Charlie's Corner, The Turn, Boot Hill Saloon on Main St. A personal thank you to Dunkin Donuts for the coffee and donuts since I was running late and was in a caffeine deficit! And on a final note...THE GOAL WAS ONLY \$100,000...CAN WE SAY WOW!

LEESBURG BIKEFEST 2026

By Lulu

The weather gods were smiling on us in Leesburg! It didn't seem like it was as hot, and I don't remember any rain. The crowds were large and the night concerts were totally packed. My friend, George from Chrome Premium Cigars, had a spare VIP ticket so he invited me to the tent where we were treated to Sonny's BBQ and adult beverages.

The headliners this year were Sister Hazel, Lita Ford, and Everclear, although bands rocked the 3 stages everyday all day. Great Chicago Fire Brewery had a tent right in the parking lot, so a scrumptious hot dog came with good entertainment and beer! Frank's Rack & Grill is a good spot right next to one of the stages to hang out.

CONTINUED...

Hundreds of vendors lined the streets of the pretty downtown area. Stunt riders, a Full Throttle Bike Show and stilt walkers gave the crowds photo ops. My favorite part of the Leesburg Rally is the ride out to spots like Big Bass Grill, Eaton's Beach, and Lake Harris Hideaway. Pretty roads to explore! Oh, and of course visiting our friends at Gator H-D and Dirty South Saloon. Special thanks to Progressive Insurance for their sponsorship! Google says the dates for next year Bikefest is April 24th-26th. So, get your reservations now and come to central Florida to play!

THUNDER BEACH SPRING RALLY 2026

By Lulu

Our two favorite trips each year are the treks to Thunder Beach Rally in Panama City. The water is beautiful; the sand is pure white sugar and usually the weather is perfect. This year we had one bad day of rain, but it didn't dampen anyone's spirits, in fact, probably more alcohol was consumed wherever peeps got rained in. This rally has several spots that are on your Must Do List.

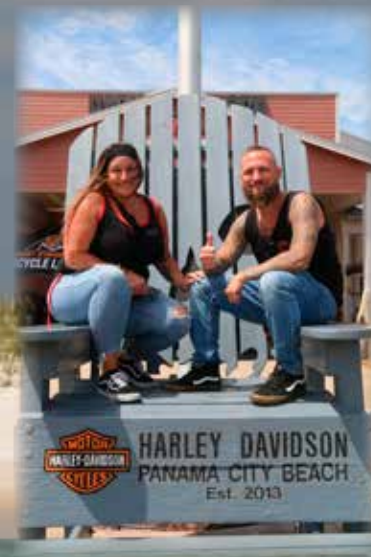

Harley-Davidson of Panama City, Indian Motorcycle, The Salty Goat for the fun staff, Wicked Wheel for the Nashville chicken sandwich, Miss Newby's for great cocktails, the brand-new Tootsies Orchid Lounge which is stunning inside and the ocean view, Hammerhead Fred's for the Miss Thunder Beach contest, and a ride out to The Hideout in Red Bay. We also made a stop at Bike Rack for the Twisted Tea Strong Man & Woman contest which will be in next month's magazine, along with our day at The Hideout.

CONTINUED...

At Frank Brown Park there are adult beverages and our friend Bill Grotto with the Twisted Tea girls are onsite, Heather and Chris from Cycle Source put on old-school bike games, Shannon's Baker Act Custom bike show, lots of vendors were busy selling their wares and live music was enjoyed by the crowd. We ran into Jasmine Cain at the Twisted Tea tent and Tony and Big Engine were on the stage. Our last day we had dinner with Chris Anderson from the Thunder Beach Rally at the new McGuire's Irish Pub. It was beautiful and the food was delicious. Make sure to come to the fall rally in 2026. The dates are October 21st-25th!!

WINDY ACRES CAMPGROUND ADULT FUN!

By Lulu

If you are coming to Leesburg Bikefest in 2027 (scheduled for April 23rd-25th) and you like camping, good music and adult fun...you should definitely give Windy Acres a call! It is a very short scoot to Gator H-D and downtown, located at 1350 Miller Blvd, Fruitland Park. Even if you don't camp you can get a day pass for old school partying. Lawless Intent was the band and they rocked the place. The line of women lining up for the wet T contest was LONG!!! Everyone that camps here comes back every year and the place seems like home to them. For reservations go to WINDYACRESFESTIVITIES.COM!

DIRTY SOUTH SALOON LEESBURG 2026

By Lulu

Within shouting distance of Gator Harley-Davidson in Leesburg is a Cool Joint, Dirty South Saloon! Amanda Rose, the owner, has done one hell of a job with this bar. Its décor is cool, great bands, and fun staff make this a great place to wet your whistle. During rally week she goes over the top with things like pudding wrestling, a Wet T contest where the water comes via huge water guns manned by patrons and a Down and Dirty Bikini Contest. Check out Dirty South Saloon on your next trip through Central Florida.

GATOR HARLEY-DAVIDSON SPRING RALLY

By Lulu

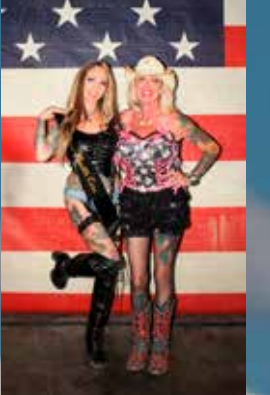

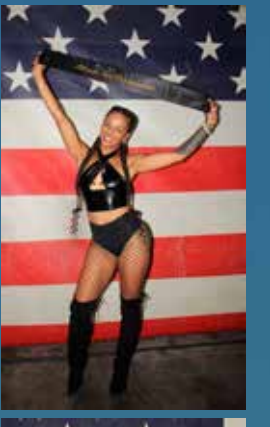

Leesburg was hopping this year. The downtown park was packed like sardines for the headliners at night. Gator always has great bands during the day and this year we were able to catch two of our favorites Bobby Blackmon and Hayfire. Barfly, The Domino Effect, Hollywood, Propaganhah, Kelly Jarrard and Hypersona filled the four days with music at Gator. Tattoos by Country were available inside and he hosted a tattoo contest with cash prizes. My friend Tony from Full Throttle Magazine entered the beer belly contest. He didn't get 1st place but he took home some dough. On Saturday, nine smoking hot girls competed for the title Miss Gator Harley 2026 and the beautiful Holly won! Gator H-D will be hosting their annual fall rally in November on the 14th and 15th, so hope to see you there!

MISS GATOR HARLEY-DAVIDSON 2026

By Lulu

I was a lucky girl at Gator H-D during the spring rally and got to be up close and personal with some beautiful ladies, as I emceed their Miss Gator bikini contest. The girls first took the stage in biker wear and they all looked stunning in their strappy black outfits. After Hayfire played their set, they took the stage again dressed in teeny, tiny bikinis leaving little to the imagination. I wouldn't want to be a judge as they are all gorgeous, sweet, and FUN! Thanks to the sponsors Born to Ride For 45, Spray Mobile Tanning, Wallace Health Care, All Touch, Inc., Midnight Movers, Atlantic Site Development, Director of Possibilities, Advanced Infusion Center, and RWC, who helped put this thing on! First place went to Holly!

DENNIS KIRK'S GARAGE BUILT SHOW AT BROKEN SPOKE 2026

By LULU

A great bike show each spring is held at the beautiful Broken Spoke Saloon on US 1 in Daytona as part of Bike Week. Dennis Kirk, known as a leader in aftermarket parts and accessories with same day shipping, puts this event on. His show always brings out some great garage-builds. Dennis Kirk gives these builders an opportunity to display their talents. A few of the bikes and builders are featured here but you can go to the albums on Thunder Roads Florida Facebook page to see all the winners from the day. Check out DennisKirk.com for parts!!

BIKING BUSINESS

VENOM CUSTOM CHOPPERS & CYCLE WORKS

By TJ

Many of you are probably familiar with Venom Custom Choppers & Cycle Works on U.S. 19 in New Port Richey for their 10 years of bike nights back in the day, and for hosting bike shows at Cotee River Bike Fest and others. For those of you who may not be familiar, you need to check this place out the next time you need your bike worked on. My friend Minh Mai is the proprietor and over the last 20 years he has built his business and reputation on honesty, fairness, and trust. His customers keep coming back for that exact reason. They know that the job will be done properly the first time, and in the rare event that something isn't "just right," Minh will make sure that it is corrected. That's solid customer service!

It's been a long road since the young 9-year-old Minh immigrated to the U.S. with his family from Vietnam in the late 70's to become Americans and pursue the American Dream. They came to Florida by way of N.Y. and N.C. Minh completed school, eventually became a U.S. citizen, married his wife Lori, had a son, and got to work. He began with a body shop and a bar/restaurant along the way then transitioned full time into the motorcycle world. The tech guys at Venom have been there for years, which isn't always the case at a lot of bike shops. They are proficient with performance upgrades, service, repairs, new parts, tires, and maintenance issues on all makes and models with Harley-Davidson as a specialty. Venom can also help you with your extended warranty work. Minh has owned and ridden Harleys, Ninjas, Slingshots, and other bikes over the years so he's a real motorcycle guy that knows his business. Give them a call for your next job and tell 'em Thunder Roads Florida sent you!

By Lulu

Daytona Bike Week has a night of amazing sights at the Volusia County Fairgrounds. Burning Bike Night came complete with fire performers, the torching of the giant wooden bike, a flaming hot bikini contest and great live music all in a huge fairground with vendors and booze!!! A perfect place to spend the last Friday of Bike Week. If you haven't been, put this on your event plans for spring 2027! Troy and his crew at Fastlane Campground bring this event to us and they do a fantastic job!

IRON HORSE SALOON BIKE WEEK 2026

By LULU

Bike Week wouldn't be complete without a trip or two to the World-Famous Iron Horse Saloon. Iron Horse is known for great T-shirts, Craiger's Beef Tips, The Wall of Death, and David Allan Coe, along with other great musicians. On a sad note, David Allan died in April, you can't believe how many people before his death asked if he was performing each rally. He definitely was an icon. Why Jennings filled his boots and does so much to help our local veterans by actively participating in auctioning off his hats, guitars and even jackets for the Veterans Support Fund. For those living in Daytona or just riding through, you need to check out the live music they are featuring outback every Saturday and Sunday afternoon.

NATIONAL EVENTS 2026

JULY 15-19

JOKER'S WILD

When you Really Truly want to slap someone, but you're in a public setting, just give them a helluva whack on the bare upper shoulder or back and yell out loud, giant mosquito!

Girl and Guy on the 2nd date, Girl: I can actually see myself walking down the aisle with you.
Guy: Not likely I do all my grocery shopping online.

Was reading a sweet plaque at WallyWorld that read: If you wouldn't like it done to you, don't do it to others.

I was nodding yes as I turned around and my hubby was holding a heavy truck part we'd come to buy, and I immediately saw he had on his usual stretchy waist shorts and pulled them down to his ankles. Bahahahaha ... some moments just make your day!

In your humble opinion, what's something that people don't fully understand until they have to experience it for themselves?
Survey Says: Prepping for a Colonoscopy

My cousin announced he was transitioning to a female so I bought a gift to commemorate the moment.

A T-shirt that says: May Contain Nuts - Needless to say I'm not invited to Christmas

I am sincerely sorry.
The kids were playing some sort of cowboy game
The five year old kept yelling "Yippee Ki Yay"
I did not think, I only reacted and instinctively yelled out the last part of the phrase
Andnow he knows a new word
Which he will not quit saying.

HAPPY HAPPY ANNIVERSARY AMERICA ~

250 YEARS OF FREEDOM OF SPEECH, THOUGHT AND EXPRESSING OUR OPINIONS ~

HERE'S TO MANY, MANY MORE AND GOD LOVES YOU AND SO DO ALL YOUR BELOVED PEOPLE ~

WE WILL FOREVER LOVE YOU AND BE PROUD TO BE AMERICANS ~

Whenever I see a warning label on peanut butter saying it may contain peanuts, I understand why aliens don't visit us anymore.

Read a quote that said:
When you are full of Love and good intentions, it confuses people whom are full of shite and have bad intentions.
Sounds about right.

Never, ever, piss off thee girl that knows why it's three tires and not four.

Why doesn't someone invent a clear toaster so you can actually see how golden brown your toast is while it's toasting?

Whoever decided it was a good idea to put a "p" in the word "receipt" was a total idiot.

Taxi Driver asked if I had a boyfriend
I said, "Three years ago, I was a boy myself.
The rest of the ride was nice and quiet.
Life hack, girls.

Was on a short Road Trip with some other bikes and stopped in at this quaint little Diner, the kind you just know has the real deal burgers and shakes. Entered and there was just the Cook and one Waitress staring at us with a huge sign behind the counter that read: Time To EAT Y'ALL and we all got the feeling we may have stumbled into a Cannibal Diner, so we just left. Better safe than ate.

I'm at the age where I've realized that the closest I'll get to an American Safari is seeing a camel toe in leopard print leggings at WallyWorld.

A man followed a girl into the bathroom, stating that he identified as a woman.
The man's teeth were knocked out by the girl's Father, who identifies as the Tooth Fairy.

My bestie got a dude's number saved as "legs" in her phone
I asked what's up with this?
She said because he aint got no car
