## LETTER FROM THE EDITOR

I'm melting! Somebody please turn on the A.C. I swear we skipped spring and went directly from winter to summer. Can't they invent some type of air conditioning device for a motorcycle (not the vest type)? I can only wish. Enough complaining; let's talk motorcycling. As the summer rally season moves north for the next 3 months, we have one more huge event right here in Volusia County. OBs in Deland hosts the 7th annual Americana Bike Show and Bikini Contest on Sun June 8th. The winner of each contest walks away with \$1,000 in cash so builders start polishing those bikes, and ladies, get to the gym. LOL This is one of the biggest parties of the year anywhere. When you come onto the property the crowd is so big it feels like Bike Week. We get to set up our Thunder Roads Florida tent for this one and it is a blast. I am working on some summer vacation plans that will take us riding around the country. Sturgis threw us a curve ball this year when they moved it up a week to start on Aug 1st. I was scheduled to ride out with a group of buddies, but we can't leave during the last week of July. We will be finishing up distribution of the August issue right up to the first, so it looks like we'll fly one way to Rapid City on the 3rd, spend a week, and then ride back. Last time I rode cross country was in 2011 so I hope this old body can still make it. I rode to Laconia and back in '23 with no issues...fingers crossed. Rain or shine, hot or cold we ride, so get on your bikes and do some character building. As always, I encourage everyone to get your maps out and pick a destination to explore. Life is short, enjoy the ride!

See ya on the road,

T.J.

# PONY TALES

By LuLu

I am so excited to be buying my first house! I owned three houses in the past with my ex-husband, but never picked out a house, financed a house and moved into a house all by myself! Don't get too excited, TJ and I are still seeing each other! Since housing prices have finally come down a bit, I felt it was time to buy. The mortgage rates aren't great, but my CDs are making enough to use their money instead of mine and the lender allows for one free refinance should the rates drop in the fall. So, I made an offer. Pat, the 85-year-old widow from Ohio, accepted it to get rid of the winter home she and her husband bought to become snowbirds 20 years ago. I actually love golf, so I bought in our country club. The house has a small pond in the back complete with a real deer who came out for a drink from the

pond in the middle of the day. The house had to have a new roof to get insured by my friend Lisa at H&H Insurance, she pulled some strings to get it insured until the roof could be put on and Pat decreased the price \$25,000 because of the roof cost. With that and a new hot water heater my place is good for another 20 years! The best part is it is completely furnished. Everything she has in the place stays...rakes, tools, fishing poles, art, linens, dishes! I am the luckiest girl in the city of Daytona Beach right now. Closing isn't until June 5th, so I am impatiently counting down the days. This Pony Tales obviously has nothing to do with motorcycling, but the house is all I can think about right now and I decided to share my excitement with you. Be safe on the highways, buy a stranger a drink and don't forget your sunscreen!

# Getting Wet at 1405 Saloon

By LULU

A new addition to the party at 1405 Bike Week 2025...a blow-up pool to wet the L-asses in the wet T contest. At this event they auction off the right to get the girl wet. Plenty of water was flowing. The large crowd enjoyed the fun! 1405 is a full liquor bar with daily specials. Karaoke on Fridays and live music is featured Saturday and Sunday. Stop in and visit Tom and Lisa. More photos of the day's event can be found at Thunder Roads Florida Facebook.

# HARDCORE CYCLES IN JACKSONVILLE GRAND REOPENING PARTY

By Lulu

I never met Hillbilly or Sammy prior to this event, our paths just missed at Chopper Time during Bike Week, but I rode up to find a large crowd on the property to celebrate their new location. Everyone couldn't have been nicer. The business has been running smoothly for 11 years, but tired of renting, they purchased the new location in January. The shop is packed with work, but 5 bays and 2 floating bays keep repairs and maintenance moving out quickly. They do Harley-Davidsons only...no metrics. The shop has a hundred years of combined experience: Sammy has been wrenching for 20 years, Hillbilly 20 and Squirrel 60! Two mechanics are Harley certified. Sammy is a Dyno tech specialist. The shop cannot do factory warranty work, but with all that experience in house...this is the place to take your bike for extended warranty services, problem diagnostics, maintenance, or where they really shine – performance upgrades and in-house Dyno tuning. The new address is 6530 N. Main St., Jacksonville. Their phone number is 904-329-3649, give them a call for your next service and tell them Thunder Roads Florida sent you.

# BOOT HILL BIKE WEEK 2025

By LULU

Bike Week 2025 is history and the Boot Hill Saloon on Main Street put on another great rally party. With a huge stage outside for bands, a Twisted Tea Bikini contest and live music inside, there was plenty to entertain. No matter the weather, the party is at The Boot! Boot Hill Outpost on US 1 in Ormond Beach was also entertaining the masses with Rhonda slinging drinks, live music, and vendors. Throughout the year Boot Hill on Main Street has Wednesday bike nights with live music, and don't forget to get your room for the fireworks on July 4th, for a great night of music! See more photos of the Twisted Tea Bikini Contest on Thunder Roads Florida Facebook!

# SORRY CHARLIE'S CORNER PUTS ON A SHOW

By Lulu

Charlie and Amie at Sorry Charlie's in Samsula are always looking for a way to entertain the masses, this year they didn't disappoint. Mechanical bull riding that turned topless, a beautiful aerial acrobat, an amazing fire show, and of course great live music did not disappoint. If you are lucky to catch Charlie burning up the rubber on the General Lee out front that in itself is fun to see! They have bike night on Thursdays with live music and check out their ad in Thunder Roads Florida for other happenings in the month!

# SAINTS' AND SINNERS' PUB SOUL OF BIKE WEEK 2025

By Lulu

If you ride to Daytona for Bike Week whether from far or near you are going to make your way to Teddy Morse's Daytona Harley-Davidson's complex and Saints' & Sinners' Pub. It doesn't matter if your soul is a little naughty or angelic, you will have a fun time here. Throughout the 10-day rally the staff worked hard to keep beverages, great food and music flowing. Throngs of motorcyclists visited, some more than once! Saints' & Sinners' features live music Wednesday through Sunday, with two bands on Saturday. See their ad in this issue for the June schedule!

# RIDING FOR MICHAEL MILLETT

By LULU

Sometimes you bikers amaze me! An event hosted by Sledz East in Deland was one of those days. A young boy, Michael Millett, was tragically killed by loose dogs in his neighborhood in front of his mother. In pursuit of justice for Michael, they went to Tallahassee to change laws to hold dog owners accountable for vicious attacks. A ride was held in his memory and over 400 motorcycles showed up. Most had no idea who Michael or his parents were; but let me tell you it warmed the hearts of the organizers of the ride and comforted his parents and family to know people shared in their grief!! Stops included Ike's Saloon, Beaver Bar, Brass Rail, and the final stop was The Inn Between in Deland. Naughty, Naughty took the stage and rocked the afternoon away. Michael's family, friends and even schoolmates were on hand at the last stop. A special thank you to the organizers, the parents for being with us that day, the bars who supported this, Ethan from the Inn Between for going the extra mile, the band, and finally to each and every one of you who CARED!!!!

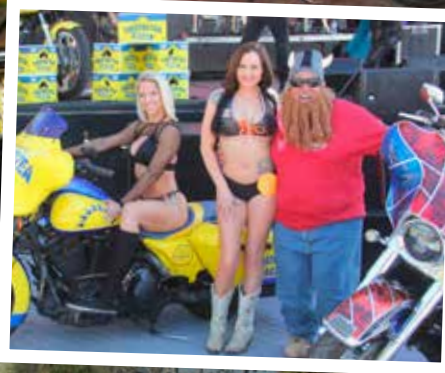

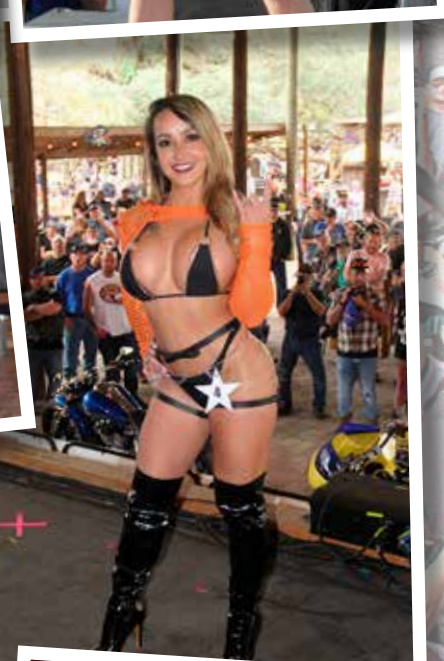

# GETTING TWISTED AT BIKE WEEK 2025

By Lulu

This year, Daytona Beach and Ormond Beach had two rocking events sponsored by Twisted Tea. Boot Hill Saloon and Broken Spoke Saloon hosted the Twisted Tea Bikini contests with gorgeous girls taking the stage to strut their assets hoping to take home the \$1000 prize money. I would hate to have to judge this, but the men and women who got that opportunity seemed thrilled to do it. First Place at Boot Hill Saloon went to lovely Sarah and at Broken Spoke Saloon Paige took the honors for the second time!!! Thank you, Bill Grotto and Twisted Tea, for giving those who attended great memories and caffeine in the Twisted Tea to get us through Bike Week! More photos of the days event are on Thunder Roads Florida Facebook.

# CABBAGE PATCH BAR BIKE WEEK 2025

By Lulu

The "Patch" is world-famous for the "Coleslaw Wrestling" during Bike Week and Biketoberfest, and it certainly is a show! But locals know the bar is so much more than that! Great bartenders, community involvement, stiff drinks and live music make the Cabbage Patch Bar a place to party. It is a well-known spot to run poker runs through as the staff never has a problem keeping up with a large crowd. During the rallies Scott organizes bike shows and a large array of vendors. Of course there is the coleslaw competition, this year Angry Beaver took the title and the belt! Roger and Jen thank each and everyone who rides out for a cold one and support this iconic establishment!

# COMMUNITY RALLIES FOR JASON DUMKE AT CABBAGE PATCH BENEFIT

By Jen McGuire

On Sunday, April 6th, the community came together in an overwhelming show of support for Jason Dumke, a beloved friend and fellow rider who was recently injured in a motorcycle accident during Bike Week. Held at the iconic Cabbage Patch—famous not only for its coleslaw wrestling but also for being a true place of heart and helping—the benefit drew a massive crowd of friends, family, and motorcycle enthusiasts. One solid group of friends—Bill Latham, Jen McGuire, Tim Tarquinio, and Matt Pearce—spearheaded the event, pouring their time and energy into making it a day to remember. With incredible live music from Joey Speroni and raffle items that were truly out of this world, the day was packed with generosity, unity, and love.

The energy at the Cabbage Patch was electric as people from near and far came to support an amazing human being. Jason has touched so many lives with his kindness, humor, and generous spirit, and Sunday's turnout was proof of the impact he's had on the community. The funds raised will go a long way in helping his recovery, but even more powerful was the outpouring of support and encouragement that filled the air. It was a reminder that no one rides alone—and that in times of hardship, the biker community always shows up strong, especially at places like the Patch where the spirit of brotherhood and giving runs deep.

# JOKER'S WILD

My nephew asked me where Walla Walla was located. I told him somewhere between ting tang and bing bang. That should keep his mind busy for a while.

So, you're reading this Joker's Wild in June, but I'm actually writing it on the late evening of Mother's Day; May 11th. When you do this mag you live in the future, the month that just passed and in the right here and now, it gets a while to adjust.

Anyway, a few days ago our daughter says "It's getting close and I still haven't gotten you anything for Mother's Day!" I just so happen to be looking at an ad on Zon for a helluva deal on a Ring doorbell with voice activation for both sides. I sent her the screenshot and said, "this would be really nice! js". So she shows up for Mother's Day and said she ordered flowers but they probably wouldn't be delivered until tomorrow, and then she hands me a zip-lock bag with a Used Ring doorbell and I'm like wtf? where's the new voice activated one and she's like, "Well, we get a lot of people in our community and y'all don't get that much traffic so I just switched them out. That one still works really good tho!"

Whoop De Fookin Do!! Really?

I just gotta' say that we raised this girl right but how she turned into cheap-ass switcheroo Sally is beyond me. My hubby and I are still laughing about it. I took a pic and am going to post it, ya' know, just to keep it real. lol HighLarious!!

Earl and Vern are sitting at the local Tavern and Earl says, "Vern, you been sitting there just pondering some thing for sometime now, so go on, spit it out and let's know what's up."

Vern looks at Earl and he says, "I was just wondering how much jail time I would get if I actually did onto others as they have done unto me?"

"That's all." We can all relate Vern, truly.

Finally figured out the Middle Age is when your age actually starts showing around your middle.

I got SOO dang drunk last night, I walked across the dance floor to get another drink and won the freakin' dance contest!

Hubby is watching wife hang her panties on the clothesline, "I remember when you could fit a dozen pair of your lil' sexy panties on that one line, now you only can get five! Wife says yeah well, I remember when you actually had a Big Bulge in your undies instead of only skid marks.

I am literally dazed and amazed how a cemetery can raise its' funeral prices and blame it on the cost of living.

A baby can drink a bottle, fall asleep and people say how adorable it is ..... if I do it, I'm called an alcoholic.

I took my suit to the cleaners, who wanted to charge me \$40. So I gave my suit to the charity store next door.

They cleaned and pressed it and put it in the window. I bought it back for \$5.00

My Doctor said I needed to socialize more, get out and about, so I took up running, so far this week I've met three different sets of Paramedics.

I live in Florida and I saw a bumper sticker on a parked car in front of WallyWorld that read: "I Miss Philadelphia"

So, being the helpful kinda' guy that I am, I broke out the window, stole the radio and left a note that read: "I hope this helps with your missing."

Sometimes you might feel like no one's there for you, but you know who is always there for you?

Coffee.

Coffee will Always be there for you. Always!

Balloons are so weird ..... "Happy Birthday", here's a rubbery sack full of my breath."

Isn't it strange that we have one hand that knows how to do everything and then we have another hand that just sits there like, "I don't even know how to hold a pencil."

Women know. They just know. Even if they didn't know, they would know. Men might not get this, but women will, because they know.

I took my daughter to get a Toddler Bed for my only grandchild. I paid \$100. extra for a 20 year warranty. I'm just going to wait 19 years, cause this store has been around for a century, and take it back with Warranty in hand. They'll be, "Well, what's wrong with the bed?" and I'll just give them one of those looks and say, "Well, if you must know her feet are hanging off the end of the bed and her husband is pretty damn uncomfortable too!!

Why is it called boob sweat, instead of what it really is ..... Humidittities?
