LETTER FROM THE EDITOR

BIKE WEEK BABY!!! That's what March means. The Holy Grail of motorcycle rallies that we wait for year after year is upon us again. This will be my 41st Daytona Bike Week in a row and it never gets old. We can't wait for it to get here and then we are glad when it's over and gone. The 10-day, jam packed schedule tests your physical and mental stamina but somehow, we get through it and immediately start thinking about next year. That's the reality of loving motorcycles and the parties that go with it. It's an addiction of sorts that has gripped us all.

This year there is so much happening that it's hard to keep up with the countless events, bands, bike shows, contests and more. This is the largest issue of Thunder Roads Florida we have printed to date so take the time to look carefully at every page, so you don't miss anything. From Daytona to Jacksonville, The Space Coast (Brevard County) to Nature Coast (Pasco County), there is hundreds of square miles with activities and riding to enjoy. We are hoping for beautiful weather so the riders from the north can put some miles on and enjoy our Florida winter. This magazine will help you plan your week. Beth and I will be running from place to place, morning till night covering events and taking pictures of the revelers and our friends, probably with a "few" beers along the way.

IMPORTANT...Please ride defensively and stay safe.

Sadly, every year there is tragedy during Bike Week. Let's all pay attention so we can keep mishaps to a minimum. Everybody have a blast and as always, if you see us out and about, please come over and say hello.

See ya on the road,

T.J.

Cool Joint The Inn Between

By LULU

Tucked in under some big oaks is a cool bar in Deland at 2486 Old New York Ave. During Bike Week 2022 they happen to be having their Chili Cook Off on Saturday, March 6th and last time I was there they had tons of entries to try and live music by the J W Gilmore band, plays a great harmonica and blues on the outdoor stage.

This is a nice ride from Daytona and a good place to get out of the traffic of Bike Week and chill with friends. A huge outdoor area with shady spots to sit is waiting for your bikes to roll in. Owner Ethan Williamson has music scheduled on Saturday, March 12th 2-6pm with Paul Wane and the Duval County Line, I love this band. And one of the favorites in our area is scheduled to be at The Inn Between on Sunday, March 13th 2-6pm Adam James Society. This kid can really make his guitar add excitement to any stage. Regularly scheduled events at The Inn Between include Karaoke on Tuesdays, pool tournament and free pool on Wednesday, and Thursday is ladies' night. So "Stay Trashy By The Tracks" at the "shack" known for cold beer, hot girls, and a good pour on your cocktails! They open Monday through Thursday at noon. Friday through Sunday at 11am.

By Lulu

Sandrine Robertson was born in Normandy. Sandrine's family moved when she was six and she grew up in the vineyards of southern France. She started visiting Daytona Bike Week for her 21st birthday. Flying all the way from her home, this beautiful blue eyed French girl fell for a biker who brought her to Daytona Beach of all places. She became friends with Peen who owned the Circus bars in town and moved here in 2008. They ended up opening The Hideout at 1120 Derbyshire in 2012. They will be celebrating their 10th anniversary this May. In 2019 Sandrine bought Peen out of the bar and now controls the reins of The Hideout. She is sweet, friendly, and still a pretty little blue eyed French girl with a heavy French accent. Sandrine married Craig 14 years ago and they have a 13-year-old son Evan. Craig works for Teledyne in the oil & gas business. I asked her how Craig feels about her owning the bar and she laughs and says when the bar business is doing good, he calls "The Hideout our bar... when it isn't doing so good, he calls it my bar." Sandrine is quick to help with poker runs and charities. She is involved in raising funds for the Daytona Athletic Assoc. Basketball teams which help keep young kids off the streets and out of trouble. Also, she does a yearly event to help Vets at Christmas. I personally saw her jump right in and help with baskets for Willie and Cap's runs this year! I asked Sandrine does she still ride her own bike and she said with a sheepish grin, "I sold it to a customer because I needed a zero-turn lawnmower more." It is hard to get out and about when you are holding the fort down on your own business.

The Hideout is a full liquor bar with ice cold beer. Package purchases are available. Her food selection is hot pretzels, pizza, and wine platters. The bartenders Jocelyn, Gina, Melissa, Kim, Tara, Tania, and CP are friendly and fun. The regulars, including Eric from Superwash and Jimmy Tacoma are always a hoot. The prices stay the same during events and longnecks are still just \$2.75. On Sundays Tara does amazing Bloody Mary's starting at 9am for \$4.

The bar has live music a few days a month and you can find the schedule in their ad here or on Facebook. Dirty Bingo with Jeff & Nina is on the first & third Thursdays. Pool tournaments are Monday, Wednesdays, and Thursdays. Dart tournament is Mondays and Dart league is Tuesdays and the first & third Fridays. As you can tell there is always something going on at Sandrine's Hideout so put your kickstands up and visit, they are open 7 days a week from 9am-2am.

20TH RUSS & BOB SHOW AT OB'S 2021

By LULU

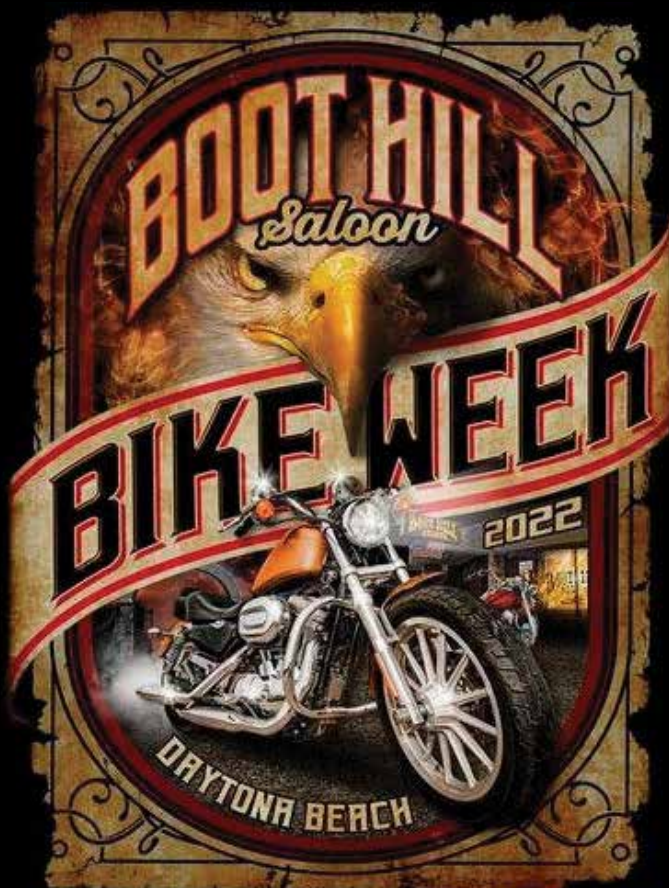

The tradition of celebrating panheads, shovelheads and antique bikes survives at OB's in Deland. For 20 years they have put on one hell of a bike show in November with some of the best maintained, or in some cases, restored pieces of motorcycle history you can see anywhere. This year the weather was a bit sketchy but the crowd was still overflowing. The band Papa Wheelie entertained the huge crowd all day. At the time of being ready for print I do not have the winner's list but more photos are on Facebook for any that you may not find here. This was the first year for the Cap Wilson award which was created as a masterpiece by Squirrel...thank you so much for that. Rue & Ziffra, PA have been a major supporter of this event each year and we thank the law firm for actually being "in our community and on our side"!

AMERICAN LEGION POST 81 CELEBRATES 100 YEARS

By Tony & T-Rex

It's Sunday Funday and a few weeks earlier I got a phone call from J. D. from American Legion Post 81 and he says they are having their 100th Anniversary party starts at noon, don't be late. Always late when you say that, but we fire up the *farm tractor* and we are off down 95 to Melbourne.

The party is on, the band Kaotic Realm is playing, their food is cooking, I run into J. D. he says stick around and watch them get the commander 'Stretch' in the dunk tank. Raffles are being sold and a gentleman whose name I didn't catch is selling great wood carvings. But think about it. 100 years. How did it start? So, J.D. gave me a history lesson on it and there's a lot, but I'll keep it short. In 1921, 29 veterans mostly WW1 met in Melbourne to form ALP 81. The post named in honor of Frank B. Huddleston who was killed in France in 1918. In 1926 the legion erects their building between Strawbridge Ave. and Palmetto Ave. Unfortunately, the legion lost that location due to the depression. Now Trinity Towers West occupies that location.

We are going to fast forward to 1930. American Legion Auxillary Unit 81 is founded and then 1941 Sons of American Legion Squadron 81. 2006 American Legion Riders Chapter 81 was formed. Like I said, trying to keep it short, but at least it isn't a 100-word article. LOL.

In 1948 where we are sitting now was donated by Chester McNulty. The original buildings were two Quonset huts from the Banana River Air Station. Roofs were added, porches built and in 2020 Post 81 undergoes a total interior renovation, mostly done by members volunteering their time and service.

So, congratulations on 100 years and if ya missed this party, we will see you at the next.

Ride safe and see you on the road...

GRANDVIEW *Live* BEST SHOW IN TOWN

By LULU

Daytona Beach is blessed with one of the most posh "Gentleman's Night Clubs" in Florida. Grandview not only has extremely talented, gorgeous athletes performing nightly, they also have friendly bartenders who make your favorite cocktails to your liking. The ambiance and lighting make this club friendly for both men and women. From August to mid-October they feature an amateur pole dancing competition and the girls were happy to let us catch them in the act with our cameras.

During Bike Week 2022 Full Throttle will be having a bike show on Thursday, March 10th starting at 8pm, includes a sound competition. So, make sure to check out this beautiful nightclub, the sexy talented women and the awesome bikes at the show.

Pirate's Pub Celebrates Another Year

By Lulu

We love to congratulate a business for making it through another year successfully, and Pirate's Pub just blew out fifteen candles! Pirate's Pub in Paisley is a great bar that is a beautiful ride from Daytona, Ocala, and Leesburg. And to celebrate a year after all the problems with Covid and employment issues is a GREAT FEAT! The bar is in Lake County and is full liquor with ICE COLD beer and one of the hottest bartenders in ANY county! Live music by Conflict of Interest entertained the large crowd for the party. Their biggest party each year is the TOO BROKE FOR STURGIS party in August on Saturday, August 6th. Whether for a ride in the country, their monthly Classic Car Show on the 2nd Saturday or one of their parties put Pirate's Pub on your MUST VISIT list. They are open 7 days a week, open at noon on weekdays and 11am on weekends.

On behalf of all of our staff new owners Shane and Jan would like to welcome ALL Bikers, near and far, to stop by and see the updated changes made to the Original First Turn in Port Orange.

In July of 2022 Original First Turn was sold to Janet McDermott and Shane Snipes. The previous owners established this business many years ago and built a great foundation and business model for us to continue. As business owners born and raised in Florida and Port Orange, we feel it's important to make everyone feel they are locals. Now named Daytona's Original First Turn we will be reopening the inside seating adding a steakhouse and wine bar with dueling pianos on the weekends. We are looking forward to employing close to 100 employees to make this Port Orange destination one to not be missed. You will find Great Food, Live Music 7 days a week, and as always the Coldest Beer in Town! Ride safe and be careful, we look forward to seeing you all!

CHOPPER TIME BENEFITS VETERANS!

By Lulu

Sometimes a white knight rides a Harley! And Willie Jones from Tropical Tattoo is just that to the veterans who reside at Emory Bennett VA Nursing Home. Twice a year during Bike Week and Biketoberfest, Willie and his amazing peeps put on THE BIKE SHOW of the rallies. And what many do not know is that the proceeds from the event benefit the Veteran's Coalition. Mike Erthal who mans the Veterans Coalition Fund says that the home has approximately 90 residents that Chopper Time benefits. Willie has been dressing up as Santa for the past five years and visits the men and women residents fulfilling their Christmas wish lists! In his words, "It becomes personal once you meet the brave men and women who served in the military guaranteeing our freedom." Willie will be the first to tell you he can't do this alone. It takes all his staff, friends and sponsors which includes Rue & Ziffra, PA, Twisted Tea, Hot Leathers, Grandview Live, Hardcore Cycles, S&S, Bling Cycles, Dave Perewitz, B&D Customs, Speedking Racing, Mo's Image Customs, Bikernet, Riders Now, Cochise Chops, Bare Bones Leather, Biltwell, V-Twin, Spectro Oil, Bikerphotog.com, Southern Cycles and A1. The law firm, Rue & Ziffra, P.A. has sponsored this event for years now. Roadside Marty has been working the mic and the crowd since 2002, trying to keep the show on track. Chris & Heather from Cycle Source really help Willie pull this event off each year. Last year was particularly difficult for Willie and there was even talk of not having the show after his injuries from a bad motorcycle wreck, but the "show must go on" for the much-needed funds to be raised for the vets!

The show consists of unique motorcycle creations. It is \$20 to enter your masterpiece which helps offset the cost of putting the event on and increases the kitty for the veterans. Along with the bike show you will find hot girls, a great band this year featuring Big Rick & The Troublemakers, and BBQ. The alcohol sale proceeds benefit the Coalition.

Since 1991 Willie has owned Tropical Tattoo at 825 S Yonge St. What started with Willie, Mad Jack, and Bobby D etching ink, now 20 years later, Tropical has Katie, Alexa, Clay, Ron, Skully, John & Matt busy taking skin and turning it into art.

So, while you are spending the day at Chopper Time, get inked with something to remember Bike Week 2022. See J.T., the floor manager to schedule an appointment.

A special word of thanks to each one that shows up year after year to make this one of the few Bike Week events, that because of your attendance, brightens a Veterans life. So, see you at Chopper Time 2022 on Thursday, March 10th!

BIKING BUSINESS V-Twin Specialties

By LULU

V-Twin Specialties located in South Daytona at 933 Beville Rd., Suite 102 H specializes in parts, accessories, and gear. Everything to keep the do-it-yourself home wrencher on two wheels. Bud Milza opened V-Twin in 2021 after spending most of his adult life working on customizing bikes and being employed for over thirteen years with JP Cycles. Bud is living the dream of being an entrepreneur in his passion of motorcycling!

Originally from upstate New York, Bud studied to be an audio engineer and did music production and grip work for movies. He left New York to "Get out of the rat race." Bud's first bike was a 1986 Softtail that he bought in Key West. Now he has two bikes, a '07 Road King and a '94 FXR. As many young boys do, Bud developed his love of motorcycles at eight years old while riding dirt bikes. Bud and wife Renee's son, Chester Danger Milza, already at seven is an avid dirt rider. He left Key West to collaborate with a builder in North Carolina, but when his grandmother became ill, he moved to Edgewater to be near her and took a job with JP Cycles. Riding a rigid everyday from Edgewater to Ormond, he saw a real need to provide V-Twin parts to folks able to work on their own rides. His store has batteries, brake pads, oil, tires, gaskets...just about anything you need to keep your bike on the road. "I don't specialize in just pretty chrome stuff" says Bud. His shop is the real meat and potatoes of biking. The brands he carries include Drag Specialties, V-Twin Manufacturing, Tucker V-Twin, Hard Drive V-Twin, Mid-USA, S&S, and Baker Drivetrain to name a few. Bud is working hard to grow his e-commerce business and is adding new products to his website every day to serve V-Twin riders worldwide.

Bud is knowledgeable about anything V-Twin and has a wealth of information to share with his customers. The shop just moved a few suites down to 102H. Bud's hours are 10-6 Monday-Friday and 10-2 Saturdays. His phone is 386-310-8333 and website is VTWINSPCIALTIES.net. Give Bud a call and get your bike ready for the riding season.

Go wherever the road takes you.

Whether you were born half-man, half-motorcycle or just born to ride, there's America's #1 motorcycle insurer.

The JOKERS WILD

I got chatting it up to a stunning girl in a club, "May I buy you a drink?" I asked. "Have you not got a girlfriend?" she replied. "Smooth operators like you always have girlfriends." "No, sadly we broke up just over a month ago," I assured her. "Oh, I'm sorry to hear that. Breakups are tough. Go on then, I'll have a white wine...." A few drinks in, after a kiss and a cuddle, we headed off back to her place and made some of the most passionate sex imaginable! While I was putting my clothes back on, she made the remark, "So, you're very good looking, a really nice guy, and amazing in bed....why on earth you split with your girlfriend?" I answered her honestly, "My wife found out!!"

Eleven people were hanging on a rope under a helicopter, ten men and one woman. The rope was not strong enough to carry them all, so they decided that one had to drop off, otherwise they were all going to fall and die. They were not able to choose that person, but then the woman made a very touching speech. She said that she would voluntarily let go of the rope, because as a woman, she was used to giving up everything for her husband and kids, and for men in general, without ever getting anything in return or pursuing her own dreams. As soon as she finished her heart wrenching speech, all the men started clapping their hands.

Man walks into a market with his zipper down. A female checker walks up to him and says, "Your barracks door is open." He looked puzzled and went about shopping. A man approached, "Hey buddy, your fly is open." He got in line to check out w/ that same cashier and thought he'd have a little fun with her about her "barracks door" remark. When it was his turn in line he asked, "When you saw my barracks door open, did you see a soldier in there at attention?" The girl thought for just a second and then replied, "No sir, no I did not....but I did see a soldier that may have been wounded, sitting on a couple of old duffel bags."

Happy 23 Years Anniversary To: Joker's Wild and all you wild and crazy Bikers who love to laugh! Life is just better with laughter in it. Love y'all. MaMa T.

There are three types of sex in a marriage. The first one is Kitchen Sex. This is when you are newlyweds and you're still having fun sex, so you do it anywhere, anytime - but mostly in the kitchen. The second type is Bedroom Sex. This is when you have settled down a bit and probably have kids, so you can't do it anywhere except in the bedroom and always with the door locked. The third type of sex is Hallway Sex. This is when you pass each other in the hall and say, "Screw you." But there's also a fourth kind called Courtroom Sex. This is when you are getting a divorce and you try to screw each other in public.

A very tall man walks into a bar and a lady recognizes him as a pro Rugby player. They start to talk and eventually go back to his place. They start to kiss, and the man takes off his shirt. On his arm, he has a tat that says Reebok. "What's that for?" the woman questions. "Oh, I have this so what when I'm on TV, people will see my tattoo and then Reebok pays me." Then the man takes off his trousers, and on his leg he has a tat that says Nike. "What's that then?" she again questions. "Oh, it's just like the other tat. I get paid when this tat is seen on TV." Then the man drops his underwear and on his penis he has a tat that reads Aids. The woman screams, "Don't tell me you have Aids!" The athlete replies, "No, no....! Calm down....it will say Adidas in just a few seconds."

My buddy and I were out having a brew and talking about women in general and how some were really on fire in bed. I told him that I'd been with SOOO many women in my life who were wildcats in bed and screamed like demons being released. He said, "Yes! I want to be able to experience that on a regular basis." We got in my truck and I took him over to the hospital and up to the maternity ward.

Everyone was seated around the table as the food was being served. When Lil' Joey received his plate, he started eating straight away. "Joey, wait until we've said our prayer", his momma reminded him. "I don't have to", Lil' Joey replied. "Of course you do." momma insisted. "We say a prayer before eating at our house." That's our house," Lil' Joey explained. "but this is Grandma's house and she knows how to cook!"
