Southern Country Customs is owned by former NASCAR driver Steve Wallace, the son of NASCAR Hall of Famer Rusty Wallace. Since January 2019 Southern Country Customs has operated with one thing in mind and that is building the "baddest" bikes the industry has to offer, and the importance of customer service. At the 85th Daytona Bike Week SCC will be set up and open for business at the Broken Spoke Saloon on US 1 in Ormond Beach from 12-5pm, starting February 27th for 10 days. This Bike Week SCC will be approaching their 200th custom build in their five year existence, and specializing in fully customizing Harley builds inside and out including custom paint jobs, giant engine builds, huge stereos, custom upholstery, CNC machining, powder coating, and the only thing we outsource is our paint work and that is only ten minutes down the street. Customer service is where SCC thrives; we have a customized Ford transit van with a ramp and a full-time driver that will transport customer bikes throughout the country to our Mooresville, NC shop, ensuring we are always the ones working on our bikes and maintaining them for you. SCC also brings a mobile support service trailer to every rally they attend that includes a lift inside and every spare part for our SCC bikes, this way we ensure our customers' success and satisfaction for their highly invested trips. We have just completed a stunning trike, featured here. It is a must see!

Lee Gibbs is happy to schedule your next build at 704-740-0705 cell/704-677-7057 shop.

## LETTER FROM THE EDITOR

First order of business in this month's letter is to correct a mistake from last month's article about Gator Harley's Fall Rally. Beth falsely stated that the Leesburg Bike Festival 2026 dates are April 29th – May 3rd. Please don't show up on that weekend because you will be the only attendee. The real dates are April 23rd through the 26th for Gator Harley and April 24th-26th for Leesburg Rally, show up then and have a blast with us!

As we all know, this month is the 85th Daytona Bike Week. This event needs no introduction. In your hand are 72 pages of all the action you can handle. March is also the 19th anniversary of Thunder Roads Florida, and we are quite proud of the road traveled. It has been a pleasure and an honor to bring you all the up-to-date information that we hope has made your motorcycling journey more complete and enjoyable over the years. Stay on the ride as we roll ahead. We love what we do and appreciate all the

advertisers and readers

that have supported the mag. If you see us out there somewhere, come up and we'll take your photo, like Fred in the photo below, who says Thunder Roads Florida is his "bible."

See ya on the road,

T.J.

# FANTASY FEST 2025

By *KIM CATO CHALMERS*

**W**ell, we survived 30 days in the Keys. It's sad leaving, not only because we've had such a great time and think of things we will miss, like incredible sunsets and live music everywhere. But, it also marks the end of tank tops and flip flop season for us.

It's 80 degrees and sunny as we head to Northwest Florida where it's currently in the 50s.

Fantasy Fest 2025 theme was Bedtime Stories & Magical Monsters, but this year's events were anything but a snooze fest. Although, not technically part of Fantasy Fest, one of our Favorite Events is Tats for Tatas at Tattoos & Scars Saloon. This was their 4th year. It's an awesome event that just gets better. The heart of Fantasy Fest goes much deeper than the amazing costumes and body paint. The 10-day event raises hundreds of thousands of dollars for charity and is a huge boost for the local economy.

From the Zombie Bike Ride to the homemade bikini contest, street parades and pool parties, there was so much to do, day and night, we had to pace ourselves. Key West, especially Fantasy Fest, is a "Marathon," not a sprint.

Highlights were 2 of our kids coming to visit with us. We spent an afternoon hanging out with living legend, Dave Wegman, and then there was a moment at Willie T's when the musician played our national anthem and everyone in the bar stood up, took off their hats and Duval Street literally stood still. In 10+ years visiting the Keys, this was by far, my favorite moment.

People say Key West is known for their motto "One Human Family" and it's definitely true. In Key West, it doesn't matter where you're from, how you got there, how much money you have (or don't), the color of your skin, your political views, who you love or how you worship, everyone cares about each other. Key West has the Best Vibes and the Happiest of Happy Hours, including drink and food specials, followed by the most Amazing Sunsets.

We were so excited to see so many of our friends and Thunder Roads Florida fans. You made our day!

There is a magnetism in Key West that draws us and each year, we tend to stay a little longer. Harpoon Harrys is my favorite for Breakfast and Bloody Mary. Martins has excellent food and happy hour specials along with great views of Duval Street. The Boat House also has fantastic food and Happy Hour Specials along with Spectacular Sunsets. Mo's Creole and El Saboney's are hidden gems that you don't want to miss.

We put almost 200 miles on our bikes on this 2 by 4 island, but I rarely passed the Green Parrot without stopping for a Root Beer Barrel Shot and sound check at 5:30pm.

This was our first year being able to watch the Offshore Racing World Championship which was phenomenal.

The worst moment was watching a moped get hit and then run

over by a SUV. The crowd rushed in and lifted the SUV off of the 2 riders, who appeared to have had mostly minor injuries. It was a stark reminder of why those on 2 wheels always must be more diligent.

From now on, at intersections, I'll give myself a little extra space for a quick exit and be more alert than ever before.

We spent our last afternoon at the Heroes Bar, walking out at the exact moment when the First Responder Race Boat pulled up. It's a cool bar, check out the top Floor and Balcony. If you stop by, tell them Kim from Thunder Roads FL sent you.

# BERT'S BARRACUDA'S ST. PETE BIKE FEST 2025

By Lulu

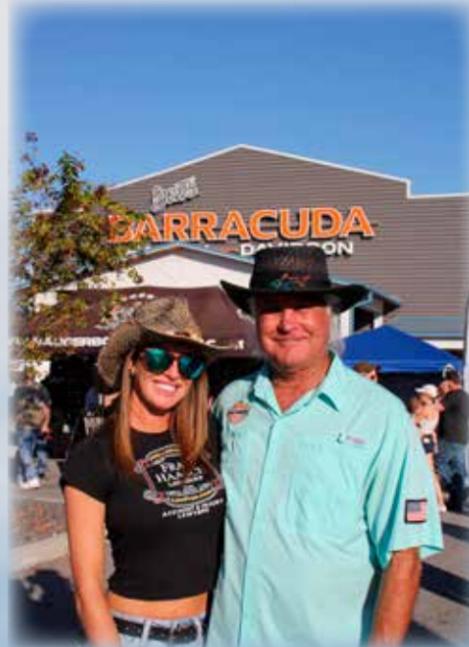

In November, Bert's Barracuda and OCC Roadhouse host a 3-day rally on their premises. The place was slam packed! The weekend featured live music, a bike show, vendors, a 7-bike burnout by the crew at Bert's, a bikini contest by Reign, WWN Pro Wrestling and the Sunday Sunshine Skyway Ride with Paul Sr., providing more than enough to entertain the masses. We love to visit with some of our clients that set up there each year, George from Chrome Premium Cigar and Brian from Florida Bike Life, making it kind of a party with friends for us. Paul

Sr.'s ride had to be the largest group of riders to date! This year they not only gave away a 2025 Heritage to a lucky winner, they also gave Carillo Alexandrov, an American rescued by Grey Bull Rescue from war ravaged Ukraine, a surprise Harley Davidson motorcycle! Bryan Stern, the founder of Grey Bull Rescue, was at the event and please Google their organization. The video and story of the great, brave team of rescuers that also do disaster relief is really amazing. The music is always great at OCC Roadhouse and Museum. Two stages allowed for basically continuous music. This year's line-up included Homegrown Zac Brown Tribute, Bearded Brother's Band (one

# BERT'S BARRACUDA'S ST. PETE BIKE FEST 2025

of my favorites), Pete Hunt Band, Creed Fisher, Sobriety X, Silver Band, Shovelhead, Blackberry Smoke, and Twisted Revolution. Next year's date for 2026 is November 19-22, hope to see you there!! But also, don't miss OCC's Invitational Bike Show May 16-17, featuring a free ride-in bike show Saturday, live bands, vendors, the Sunshine Skyway Ride with Paul Sr. Sunday and the invitational bike show awards. Be there or be square!

*4th bike bought from Bert's!*

# Pinewood Cemetery No Joking Matter

By Lulu

So for those avid Thunder Roads Florida Readers who will chastise me for pulling the Joker's Wild page from this month's issue, we had to go up 18 pages to get all the events on the Calendars and all the Bike Week related ads in (which helps us pay for the rest of the year!) and I felt it was extremely important to get the coverage of the clean up of Pinewood Cemetery into the Bike Week issue. Pinewood Cemetery is directly across from Boot Hill Saloon on Main Street and is a landmark of Daytona Beach. It had fallen into complete disrepair between storms, overgrowth of weeds and vegetation and vandalism. Eddie "Heavy" Kastrul owner of Midwest Motorcycles decided something had to be done about it. He organized a grassroots effort that was amazing. I saw twin little girls with their mother in little dresses and gloves picking up debris. When I thanked the mother for teaching them civic pride. She said their tattoo business was right next door, and the girls thought it was a very scary place with the vagrants, overgrowth and just being a cemetery. When they woke up that morning and saw all the people it was like "bringing sunshine" to a scary place. There were Outlaws and Warlocks in large numbers working on this event together! This was a GREAT event! Citizens of all walks of life and all ages showed up to volunteer to rake, push wheelbarrows, gather bags of debris, fix broken headstones, scrub headstones, trim fence lines, trim palm trees. For Daytona Beach this should be a treasured piece of history, and a place tourists could visit. John Smith purchased this land in 1873, and the first grave was for his 19-year-old daughter buried there in 1887. A 300-year-old tree known as Grand Dad is worth the walk through this hallowed place to see. Thank you Heavy and Christine and to all the volunteers and sponsors, there is more work to do but what a difference already! Be on the lookout for a future poker run to fund some improvements and another clean-up day!
