LETTER FROM THE EDITOR

OK folks, Spring riding and rally season are in full swing and cool temps are behind us. Leesburg Bike Fest just ended and now we look to Thunder Beach in Panama City Beach. This rally is back in the capable hands of its founders, and they are getting the rally back on the right track with lots of activities and free music just like the old days. Frank Brown Park remains the hub of the action with Vendor Village, H-D and Indian Demo Rides, and live bands all day and night. Don't forget to check out Bike Rack down on Front Beach Rd. for stunt shows, Old Skool bike show, concerts, live music and more. Thunder Beach is always one of the top Florida rallies, spring, and fall, so check it out.

A new event for us at Thunder Roads Florida is the OCC Roadhouse and Museum's Invitational Bike Show. It is on the weekend of May 17 and 18. This event is 2 days of motorcycles and rockin', with a grand finale, Sunshine Skyway Ride with Paul Senior from Orange County Choppers. OCC is a beautiful intimate venue for motorcycle events. We attended the St. Pete Bike Festival there in November and we are hooked. Love the place and the people putting it on. Keith and his staff do a great job.

Ohio Bike Week in Sandusky rounds out the month so get on your bike and ride.

I want to take a second to shine a light on a few of our friends' businesses that provide important and valuable products and services to our readers and the public in general. These aren't the bars, restaurants, Harley dealers, bike repair shops, poker runs, etc. that we all seek out to provide fun and keep us riding. These are businesses that we all need, and that love to help bikers. H&H Insurance, Lisa and Sandy have covered all of our insurance needs and have been able to save many of our friends and readers money on theirs too. Wallace Health, Colleen, and Ken live the motorcycle lifestyle, while being a health care provider specializing in all things riders our age are in need of, check out their ad! A-OK Guns, Mike Jones has all you need for your personal and family safety. American Poly Furniture, Dano and Vicky sell awesome furniture that looks great and lasts forever. We have a set out at the pool and it's made a big improvement to the home. Family Wellness Health, Michael Watts is your Florida Blue and Florida Health Care Agent and he's happy to answer any questions you have and get you properly covered. Southern R.V. can get you set up for your next camping /road trip/ motorcycle adventure. If you are in the market for any of these things,

please call them first to see if they can help you and tell 'em Thunder Roads Florida sent you!

See ya on the road,

T.J.

PONY TALES

By LuLu

So many amazing things happened this spring all due to the incredible generosity of the biking community. During Bike Week, Iron Horse Saloon and Broken Spoke auctioned off guitars for the Veteran's Coalition for a total of \$40,741 and St. Jude for a total of \$38,148. Iron Horse threw their 3rd Saddle up for St. Jude Poker Run in April and raised \$48,917 more. Chopper Time at Tropical Tattoo gives the days alcohol sales to the local vets! A bike shop up in Deland, Sledz East, threw a poker run for the parents of a boy killed in his neighborhood by dogs and raised a bundle. Thunder by The Bay Music & Motorcycle Festival raised \$240,000 for Suncoast Charity for Children. There were also poker runs and benefits all over the state of Florida every weekend. I know I have said this before, but it needs to be repeated. I was a president of Rotary back in my life before motorcycles. A Rotary Club has 4 avenues of service and does fundraising to help individuals, their city, the country, and the world. Most members are rather affluent, so donations should be easy to give, and I am not taking away from the work Rotarians do. As a 2-time Paul Harris Fellow I was honored to be involved with them. BUT it takes a special kind of "people" to take their free time almost every weekend to either work to put on charity rides and benefits, donate to the cause, or take their last \$10 bucks and their only day off to ride for a person they don't even know that is in need.

AND THAT IS BIKERS!! Thank you for sharing your world with me. I could name many who are earning their real wings to heaven, but I want to mention one true Angel on Earth, my best friend Sherry Fletcher. She works tirelessly on her events. She organizes them, she makes baskets or donations to all kinds of events, she drives friends to doctor visits, and she houses people in her own home if needed. Thank you to all who live the biker life...don't stop doing what you are doing! You make a difference. Saddle up for a charity event soon, buy a stranger a Twisted Tea and don't forget your sunscreen.

IRON HORSE SALOON

Bike Week 2025

By JEANI G.

Bike Week wouldn't be complete without hitting the saddle to ride to the World-Famous Iron Horse Saloon for a roundup of fun and great music. Lots of bike parking out front and in the corral beneath the deck with plenty of space to kick back, grab a cold one and enjoy people and motorcycle watching with your friends or make some new friends!

Always popular are the Iron Horse event T-shirts and delicious mouth-watering Craiger's steak tips. Enjoy your favorite beer or cocktail served up by friendly bartenders, relax with a Chrome cigar, and shop for biker accessories at the variety of cool vendors - custom lighting, jackets, helmets, bandanas, waterless bike wash, jewelry, food, and lots more. Maybe it's time to get yourself some new ink onsite at Willie's Tropical Tattoo ... and don't forget to experience the thrill and speed of the Wall of Death to round out your Bike Week adventure!

Beautiful Lisa emceed this year's fantastic entertainment lineup including Parmalee, Eddie Montgomery, Creed Fisher, Saliva, and Whey Jennings. Other bands rocking the non-stop party were Bobby Friss, Cowboy, Buckshot, Jess Zimmerman, Highway to Hell, Dirty Grass Soul, Loose Lips, Moonshine Bandits, Are Friends Electric, Gun Shy, JB Walker and more! The headliners signed guitars which were auctioned off pre-show (Whey Jennings also autographed a really cool denim jacket, while Eddie Montgomery signed one of his hats) with all proceeds going to St. Jude Children's Research Hospital and Veterans Support Fund.

Owners of the Iron Horse Saloon, Sally, Melissa, and Bob always throw a great Bike Week bash and this bar is very involved in the community sponsoring amazing charitable events, poker runs and corn hole tournaments all year long! Be sure to pay them a visit and tell 'em Thunder Roads Florida sent ya! Happy trails!

BROKEN SPOKE SALOON BIKE WEEK 2025

By JEANI G.

WOW ... so much fun and excitement at the Broken Spoke Saloon during Bike Week, it's hard to choose where to begin. The beautiful venue under a canopy of magnificent oak trees was packed everyday with motorcycle and car enthusiasts, music lovers and people watchers alike, enjoying the great weather and sunshine.

Amazing bike shows brought lots of eye candy for motorcycle lovers to enjoy. New to the Spoke this year, Kory Souza Originals No-Class Bike Show was a big hit with a fun variety of bikes. Warren Lane's True Grit Show brought out some of the coolest antique, custom, and vintage bikes. The awesome Cycle Source Custom Bike Show awarded prizes in 28 classes, while fan-favorite Perewitz Custom Paint Show gave us a myriad of gorgeous bikes to drool over. Dennis Kirk's Garage Build Amateur Bike Show showcased some unique home-wrenched rides. So many amazing and beautiful bikes surely made judging a hard task!

Jay Allen, creator of the Broken Spoke and racer in the 200-mph club, emceed the events all week long. Beautiful women graced the stage in the Twisted Tea Bikini Contest, and Bill Grotto revealed this year's Twisted Tea Sweepstakes Bike built by Chris of Cycle Source. And for you car lovers, Bad Ass Car Club presented a Vintage Car Display on the final day of the event.

Southern Country Customs brought several of their beautiful high-end super custom bikes to sell. Adding their flair of NASCAR know-how to their builds, Rusty and Stephen Wallace were on site all week to chat with and are always happy to pose for pictures and sign autographs.

Beautiful bartenders and hard-working bar backs quenched the huge crowd's thirst to the beat of great live music around the clock. Bands included Bobby Friss, Cowboy, Whiskey Heart, Buck Shot, Loose Lips, Dirty Grass Soul, Whiskey Heart, Papa Wheelie, Jess Zimmerman, Are Friends Electric, to name a few. And of course, world famous Hairball rocked the stage 6 nights with their awesome 80's rock-n-roll party! Patriotic and charitable, Hairball honored veterans bringing them onstage to thank them for their service and the band autographed guitars which were auctioned off to benefit both the Veterans Support Fund and St. Jude's Children Research Hospital!

Lots more pictures of this year's event can be found in albums on Thunder Roads Florida Facebook page. Hope to see y'all back at the Broken Spoke in October for Biketoberfest!

Throttles & Bottles Day at Howlin Wolf

By LULU

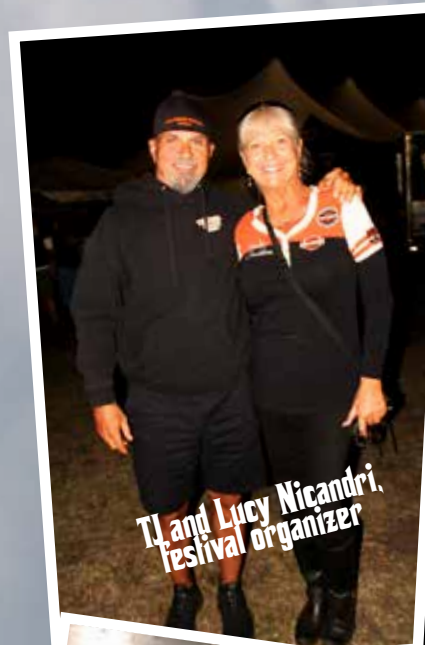

There is NOBODY doing Old School Motorcycle events like Howlin Wolf! Burnouts to cheering crowds until tires turn to fire! Wienie Bites! Plank Rides, Slow Rides, Keg Rolls... bikes losing control! That is just good old fashioned biker fun! Add a bike show with sweet rides, vendors, tattooing on site, food, beer & booze, and girls gone wild! I am telling you guys it is worth the beautiful ride to Putnam Hall for an afternoon of stepping back 15 years in time. I always see old friends and meet new ones here. Oh, and I almost forgot to mention the band, which this year was Twisted Fate rocking the day away. This event is spring and fall so come out and join the party! More photos of the winners of all the events on Thunder Roads Florida Facebook under Albums.

27th Annual Thunder by the Bay Music & Motorcycle Festival 2025

By Lulu

We LOVE this yearly event! 100 vendors, rodeo games, stunt shows, Universal Championship Wrestling, food court, bike show and 3 days of non-stop music! This happens in Sarasota at the fairgrounds. It ends up being more like a music fest than a rally. But they include a "Ride So Children Can Thrive" on Sunday, so you do get some time in your saddle! This is a huge fundraiser, so you spend a LITTLE to hear GREAT bands! This year the headliners were Blue Oyster Cult, Grand Funk Railroad and Creed Fisher. In 2024 the festival pretty much

TJ and Lucy Nicandri, festival organizer

ended up a rain out and Grand Funk wasn't even able to take the stage. When I heard them this year, I was totally bummed out that the rain God's made me miss them in 2024. They put on an amazing show. But honestly, ALL the music was excellent. Along with the small gate fee, there is also a VIP tent with a well-organized 3-night affair, which includes meals catered by Sonny's BBQ and free drinks to entice you into bidding on too many to mention silent raffle items. The VIP is well worth your ticket as it also gets you shade and seating, and VIP in front of the stage. All this feeds the kitty, Suncoast Charities for Children. This organization helps fund critical programs and services for children, teens, and adults with special needs. This

year's total was \$240,000 and over the past 27 years the festival has raised an amazing \$3 million dollars!!! Lucy Nicandri would like to acknowledge the key sponsors Precision Garage Door Service, FCCI Insurance Group, James D. & Ellen White Family Foundation, Budweiser, Greg Linehan Law, Badger Bob's, and Sonny's BBQ, and also thank all the sponsors and volunteers who made this a huge success. Thank you, Lucy, and your team of volunteers for your great efforts. Next year's dates are February 13-15th! Join us there!!

CHOPPER TIME 2025

By Lulu

Everyone who knows anything about motorcycle bike shows has been to Chopper Time at Tropical Tattoo for Daytona Bike Week in the spring, and Biketoberfest in the fall. Sometimes you can barely squeeze between the bikes to get a photo, and it is almost impossible to find someone in the crowd! 2025 spring event was that situation on steroids! PACKED like sardines! The band, Fat Cactus, was playing in a packed yard. Mike Jones and his posse spent the day helping to raise funds with his gun raffle for the Veteran's Coalition that Willie helps support with the beer and alcohol profits, including the bartenders' tips!!! Following is an article that one of our ad clients and one of Chopper Time's sponsors wrote about Willie and what an amazing man he is! This year the sponsors included Rue & Ziffra law firm, Twisted Tea, Cycle Source Magazine, I Love BadVentures, Only Choppers, Morris Magneto, Hogridin, Spectro Oil, S & S, OB's, Hardcore Cycles, Broken Spoke, Bling Cycles, Joker Cycle Works, EMC Shocks, A OK Guns, Dustin's BBQ, Veteran's Support Fund, Jessica Macy, Rider Now, Realty Pros, Iron Horse Saloon, Renegade Cycles, Guerrilla Fabrication, FNA, A1 Cycles, and Cochise Chops. Thanks to all who help make this an amazing day of bikes, booze, tattoos and helping our local veterans! Photos of the day and all the winners pics are on Thunder Roads Florida Facebook, please like and share!!

A LOCAL GEM

By: Samantha Rose Couto

Every town has its charms. LA has its stars, and New York City has its overpriced bagels, Dallas has cowboys

- We have Willie Perry. I had the honor of sitting down for an interview with Willie, getting an inside look on his love for motorcycles, the history of Tropical Tattoo, his contribution to the community, and his loyalty to Rue & Ziffra. Plus, an exclusive look into Willie's Top 5 BBQ Restaurants in Florida!

GENERATION OF TATTOOS

Located in Ormond Beach, Willie's Tropical Tattoo opened in 1991, when there were only three to four tattoo shops in the area. It was one of the most recognized studios in all the Southeast part of the United States and carried its popularity into the early 2000s. "You tattoo people in the 90s, later on tattooing their kids," Willie says. "We thrived to keep a great reputation for over 35 years."

A great part of keeping that reputation came from building relationships with those in the community. It's important to involve your neighbors. Which is why Willie started his annual "Chopper Time" bike show. During Bike Week and Biktobberfest, bikers from across the map ride to Willie's Tropical tattoo and park their bikes, old and new, alongside one another. Locals and tourists come together for a day of appreciating custom artwork and old-school craftsmanship, with live music, food, giveaways, and booths hosted by local business owners. Riding since he was fifteen, Willie had always been surrounded by other bikers, and a diverse group of beautifully crafted bikes. "I have tons of friends in the biker community," he says. Not only did the heavy influence of motorcycles drive him to several places around the country (*from the Carolinas to the Dakotas*), but it also brought him a family. "A lot of bikers would come to the shop and ride around- Fancy bikes- We decided to have a bike show here." And apparently, it wasn't planned to be the huge event that it is today, but boy are we glad that it is!

Chopper Time is the place to be if you're a biker, or a motorcycle enthusiast, but that's not all it is. The annual event was created to raise money for the Veteran Support Fund, which aids local disabled Veterans, and has been gaining the attention of other organizations who all have the same goal in mind: To uplift one another. Along the way, proceeds have also gone to animal shelters and nursing homes.

Helping the community was never a new concept to Willie. He is a regular volunteer at the Emory L. Bennett Memorial Veterans Nursing Home of Daytona Beach.

"They really want to interact with people," Willie says, referring to the patients who know him well from over the years. And he has made connections with the heroes at ARNI (*a foster rescue organization that relies on foster homes to care for animals waiting for their forever homes*)

THE F IN FIRM STANDS FOR FAMILY

Willie is so big on community, and chooses the sponsors for his events so wisely, that naturally I was curious as to when his loyalty to "Rue & Ziffra" began. "Super nice people, some of the nicest people I've ever met. They took care of me," he says, referring to the RZ team. He then goes on to tell me the story of the day that changed his life.

Four years ago, Willie was in a motorcycle accident that kept him in the hospital for two months. "It was devastating," he says. "They helped because they care - Always there to answer questions. Really big help for my wife, too." Since then, he's been a loyal supporter of Rue & Ziffra.

"You wanna know the difference between them and other firms? They treat people like family."

In this day and age, where tattoo shops are on every corner of every city's main street, it's important to stand out. "It's changed now- it's advanced so much," says Willie. "Almost every shop has at least one really great tattoo artist." It's not enough to do what is expected, but to do that and so much more; to think outside of the box. Which is exactly what Tropical Tattoo does. Because like Rue & Ziffra, community and building relationships comes first.

Curious about the connections he's made over the years, I asked "And those who have gotten to know you - What's something they would all know about Willie Perry?" Of course, riding his bike was on the list, but following close behind was an interesting hobby: "Everyone wants to go to bars on their birthday," Willie states. "Not me - I'd rather have really good barbecue."

WILLIE'S RULE TO A GOOD BBQ.

Willie's first ever BBQ trip (*that he can remember*) was to Fat Boys in Fort Pierce, years ago, which lead me to ask: "What makes a good BBQ?" As if recited from his own book of BBQ Do's and Don'ts, Willie responds: "The smell of the smoke, the meats gotta be well done. Some people like it a little fattier. That's okay too. I sometimes just smell the smoke and follow it. And the sauce- You

really don't need a lot of sauce on good BBQ. Shouldn't need it." And I picture him taking these rules with him all the way to his next stop: Yet another Red Hot and Blue Memphis BBQ, but this time in North Carolina. Willie says he's always on the lookout for a new BBQ place to pop up!

WILLIE'S TOP 5 FLORIDA BBQ

When I called to schedule an interview with Willie, he had been on his way back from getting BBQ in St Augustine. "I actually went to two BBQ places this week, that's funny."

1. WOODPECKERS BACKYARD BBQ, ST. AUGUSTINE

BBQ meats by the plate or the pound! A down-home setting with outdoor seating - Known for the brisket and countless sauce options - Though Willie's very strong on his opinion of what makes a good BBQ, and apparently the sauce shouldn't influence the final decision making: "You don't need to put a lot of sauce on good BBQ."

2. MISSION BBQ, CLERMONT

"Nice lean brisket," Willie points out. "Lots of flavor." And upon further research, friendly staff and good service is also a staple at Mission BBQ! "They also do a lot for the Vets." The website, easily accessible, has a Veterans VIP Club sign up.

3. FUEL BBQ, SANFORD

"Mission and fuel are pretty close together," Willie says pensively. Marketed as the "Old school low and slow BBQ," Fuel supposedly offers the "real deal" pulled pork, ribs, and chicken. And of course, the brisket. You can never forget about the brisket. Willie will make sure you never do.

4. BB RAD'S COASTAL BBQ, TITUSVILLE

Smoked meats, slaw and fresh cornbread- What else can a BBQ enthusiast like Willie ask for?

5. RED HOT AND BLUE MEMPHIS BBQ, ANYWHERE AND EVERYWHERE

"One of my favorites - it's a chain," Willie says. "It's popular for its pulled pork and ribs." Known as "Genuine American BBQ," RH&BM is a Blues-themed BBQ restaurant with a Memphis-style menu. It's located in several places, all of which Willie has visited: Boca, Lake Mary, Daytona just to name the Florida ones (*although the Daytona location has unfortunately closed down*) "Yeah, Ronald Reagan brought it to DC, actually - That's how it got started," Willie states (*how it got started*) - North Carolina, Virginia - "I think I've been to every single one that's ever been."

BURNING BIKE AT FASTLANE CAMPGROUND 2025

By LULU

The last Friday night of Bike Week each year is an event that if you haven't seen it, you MUST! The huge wooden bike complete with a frightening looking rider stands tall in an open field. Visitors are allowed to sign the bike before the lighting of the bike which happens well after dark. If you haven't been, let me warn you, GET THERE EARLY! Traffic is backed up to get on the Volusia County Fairgrounds for this. Don't fret though, there is plenty to entertain you while you wait. Always a great band, and beautiful girls for the Miss Burning Bike Contest keeps us all amused. There are vendors and bars, stunt shows and fire performers. And then the grand finale lighting of the bike. Put this on Bike Week 2026 not to miss list. More photos of the night are on Thunder Roads Florida Facebook. Please like and share!

"The Meet" 2025

By LULU

The past couple years I have worked with Erik on the antique bike show and swap meet that he has been a part of. This year the name of the event and the venue has been revamped. "The Meet" was held at the Volusia County Fairgrounds, with a huge piece of property for the swap meet, food vendors and an inside building for the antique bike show. Lots of peeps were checking for the parts they need for their old scoots, and the two times I was on the property it was busy. This venue is also part of the Fastlane Campground's 10-day event that ends with the Burning Bike, so I think this really works! "The Meet" brought people out who may never have seen the bike being constructed, and people coming to see the bike got to be introduced to an old school swap meet and antique bikes!

Deland Bike Rally 2025

By Lulu

Historic downtown Deland is a bustling college bar/restaurant and quaint shopping scene, but the first Saturday of March it was a motorcycle mecca. Bikes everywhere. Vendors, bands, bars, and great restaurants made this a destination ride. We managed to spend some time at Issues and Da Vinci's where Crashrocket was entertaining the huge crowd in the courtyard. This rally is always early March and a wonderful way to spend a day of riding and partying with friends!

DALL

JOKER'S WILD

My girlfriend asked me if I was having sex behind her back? We ended up in a huge fight because I replied, "Hell yeah I have, why? who did you think it was and was while you were so into it?"

This very attractive woman and very attractive man, both in their mid 50's, are sitting at the bar having a drink after work and the woman drops a line with, "I have a lovely condo on the 7th floor of this same building if you'd like to go up and have some privacy and a drink there." The man smiles and replies in a gentle manner, "I'm 57 years of age, I literally have to hit my penis with a club to feel anything from it. Sex with me these days is akin to thumbing marshmallows into the anus of a cat." The woman smiled and gently replied, "It's been a while for me as well, but I do have a bag of marshmallows and I do possess an anus."

"They say one in ten people want a sex toy for Christmas, and that's a lie, isn't it? You open presents in front of your family! Who's there going, 'What did you get there Nana? A butt plug? Look here, I got the exact same thing!'"

A couple who were all hot and ready were about to go to funky town, when the guy gets a phone call and laughing, he answers, "I can't talk now, I'm going into a tunnel."

"My Mom was getting in her car to go shopping and I had been bugging her for a new scooter bike and she told me the best time to ask my Dad for anything was during sex. Kinda' thought that was a strange reply, so decided I'd just ask him straight out and he'd appreciate the direct honesty. So I waited about an hour and then burst in through the bedroom door saying, 'Can I have a new bike?' My Dad was very upset, the woman who lived next door laying in bed with him was surprisingly nice about it. I ended up getting the bike though!"

What's the difference between a tire and 365 used condoms?
One's a Goodyear. The other's a Great year!

What did one saggy boob say to the other saggy boob?
"If we don't get some support, people will think we're nuts."

Want to hear a joke about my penis?
Never mind. It's too long.

Things have really changed, back in the day, the only time we started Panic Buying was when the Bartender shouted "Last Call".

A few cows were smoking a joint and playing cards. That's right, the steaks were pretty high.

Found my 1st gray pubic hair today Usually I wouldn't mind, but it was in my Big Mac.

A young couple are having a serious discussion and the wife says in a high pitched voice, "You spent our entire life savings on dogs?!", and the husband replies, "They're golden retrievers, they actually retrieve gold, I did it for our future!"

Just because you have a beard it does not make you a man. Last time I checked, vaginas can grow hair too.

Don't nobody wake up faster than mfr who didn't mean to spend the night.

Sex is like a gas station, sometimes you get full service, sometimes you gotta' ask for service, and sometimes you have to be satisfied with self - service.

Saw this on a Public Post - A woman that can cause drama and stop a wedding this Saturday is needed. Payment is 2k.
The very 1st reply was: Make it 3k and I'll bring 2 kids that resemble the groom.

When you think that there's just no hope left in this world, remember the historical fact that all the lobsters in the mammoth tank in the Titanic restaurant were all returned to the sea.

When dealing with certain people, remember this: Unlike the stomach, the brain does not alert you when it is empty.

Remember my Grandma once said, "Sometimes dear, you have to hug the people you don't like so you know how big to dig the hole in your backyard."

I slapped a guy during sex last night because he moaned the wrong name.
Then I remembered that I had given him a fake name.
Sorry bro, my bad.

Happy Mother's Day to You Bad-Ass Biker Women!
