LETTER FROM THE EDITOR

The motorcycle rally industry dodged one bullet in October, but unfortunately, couldn't sidestep another. Cotee River Bike Fest which was scheduled for the second weekend in October was washed away by Hurricane Helene. What a nasty bitch she was! One of my fav rallies of the year will have to wait until Jan 2025 but it WILL go on. I hope the good people of Sarasota, Pinellas, Hillsborough, and Pasco Counties recover quickly and get back to normal. Daytona's 32nd Biketoberfest went ahead with a smaller attendance than usual, but it was still very busy, and a good time was had by all that made it. I'm sure numbers were down a bit, but it wasn't a disaster. There was significant damage and flooding in our area, but things seem to be slowly getting tolerable. Most power is back on so let's keep praying. The weather is getting cooler as we ride into November, and we are really looking forward to 2 awesome weekends. Gator Bike Rally in Leesburg is a must go from the 8th thru the 10th. They throw a serious rock and roll party there twice a year and what a beautiful dealership. Maybe pick yourself up a new bike. St Pete Bike Fest is the 21st thru the 24th hosted by the OCC Roadhouse and Museum. All kinds of cool stuff are in store for 4 solid days. Check the ad on the front cover for details. We are really looking forward to this one! Then, for a whole week at the end of the month is "Let's Rock" at Space Coast Harley Davidson. 35 bands, Miss Space Coast H-D and much more. See the ad inside for a complete lineup. Don't forget, on Sunday the 17th Faith Customs is doing their Epic Bike Show at Seminole Harley in Sanford. Cholos vs Baggers are highlighted in this one. Who's the best? And just down the road is the Russ and Bob's Panhead Shovelhead show at O.B.'s in Deland. Old School works of art are on display and then the second annual over 50 bikini contest is on. Come check out these vintage motorcycles and ladies in all their glory. Hurricane season ends on the last day of November. Please stay away Mother Nature. Oh, and last but not least, GO TRUMP, GO TRUMP, GO TRUMP, GO TRUMP!!!!!!

T.J.

PONY TALES

By Lulu

So, I know this issue may alienate a few, but Pony Tales and actually, the magazine itself, is an extension of ME. And having watched the rich elitist donate millions to Kamala and watch her speak about her watching the backs of her middle class infuriates me. If we give that woman the power of the White House, she will continue to fund illegals, approve our hard-earned tax dollars for sex change operations for all, even those locked up for crimes, and she will make a federal abortion law which means we will be paying for abortions too! This woman who claims to be some great attorney helped raise bail money for those that burned our cities in protest, causing death, mayhem, and millions in damages to businesses. Trump may not come from humble beginnings like Harris claims she does. Vance certainly does. But Trump worked hard, still works hard, and appreciates people that work hard! Kamala has no idea what work is. I have heard from those in DC that her staff basically all quit and that she treated them hatefully. Those that hate Trump will say he is a tyrant and that some bailed on him after the "incident" in DC in January, but MANY still think he was right. And after 4 years of being accused of the Russian Hoax I am certain he was FED up, as were those who decided to protest at the Capitol. We watched as the lefties burned cop cars, police stations, took over cities in America, and NO ONE was held accountable for that. Do we really expect Kamala to turn a page, which sounds like Obama promising "a change". Boy that certainly wasn't a change any of us actually were helped by! November is here folks. Get out and vote. Make sure your family and friends in Swing States have a way to the polls. Volunteer to drive any that can't get there.

Official White House Photo by Shealah Craighead

Sorry if this offends those who are die hard liberals and cannot choose what will help people in America and strengthen our country again for the world, but this is MY opinion. Your vote matters, but this is not the time to throw your vote to a candidate who hasn't ever accomplished anything in politics! Not the border, not the economy...not even getting votes when she ran for President the first time. Geez PLEASE think hard about this. You may not like Trump just like you may not like a mean surgeon, but in the end, you want the person that will deliver the best results. We need strength right now. We need common sense right now. That woman has NEITHER!!

GATOR HARLEY-DAVIDSON® HOST OF CRUISIN FOR ST. JUDE 2024

By Lulu

A beautiful day in October over 240 saddled up to ride from AMVETS Post 1992 in Mt. Dora to Gator Harley-Davidson. Jan and the crew at Gator always go all out for a good cause. This year Jan was moved to tears when a group F4K (Friends for Kids) presented her with checks in the amount of \$24,967 that they raised by having a competition between organizations (Lake Co Eagles Aerie #4273, American Legion Mt Dora, American Legion Fruitland Park, Eagles Eustis and Eagles Umatilla) for a trophy and a plaque for the group who raised the most cash! Lots of baskets were in a raffle, 50/50, the registration, T-shirt sales and 3 silent auction items helped fill the kitty! Reverend Al Paquette made a metal table that raised \$500, the table featured a metal cross in the center of

wrenches. The open wrenches represented the people on the right and left talking, but the cross in the center is the answer!!! You know he is one caring human! Thank you to the sponsors AMVETS Riders Post 1992, AMVETS Auxiliary Post 1992, AMVETS Post 1992, Sad Sacks of Amvets Post 1992, American Legion Auxiliary Unit 35/Mt Dora, AMVETS Sons Post 1992, Casino Party Planners, Dirty South Saloon, Crossroads 44, Firefighter Charity Alliance, Central Florida Cruisers, American Legion Riders, Al Paquette Ministries, ABATE, Fran Haasch, US Military Vets, Sea2Sea4PTSD, Pissin Frogs, Sunlake Estates, All Florida Wall Systems, and of course Gator H-D. Oh and a thank you to Lake County Sheriff's Office for the escort! The bartenders and the band donated their tips to the cause too! Great music entertained us all day by Zack Denby Band!!

CABBAGE PATCH WINS!

By Lulu

What started out as 4 fun days outside playing kick ball by two friendly bars, Cabbage Patch Bar and Sorry Charlie's Corner turned into a grueling competition and a final playoff for the title, nut kicking trophy and the \$200 donation to the charity of the winners choice. In the end after the first 2 wins by Sorry Charlie's, then 2 wins by Cabbage Patch, there had to be a tie breaker which Cabbage Patch won 8 to 3. Charlie, not to be outdone, ended up giving his charity more than the \$200 we donated to Cabbage Patch's charity! Sorry Charlie's charity was the Humane Society! This was actually a terrific way to spend Saturdays. Hope they do it again next year!

Howlin Wolf's Throttles & Bottles Fall 2024

By Lulu

Well, other than the field where the bike games normally play being flooded, Howlin Wolf was none worse from either Hurricane Helene or Milton, so the Throttles & Bottles Ride in Bike Show went on as scheduled. Seemed to me that people were happy to have a place to forget the storm of last week!! The band Duval County Line rocked the afternoon away! Great band! We missed the games, which had to be played on the pavement. The burnout contest still made for great photos! This ride in bike show is one of our favorite events we ride to each spring and fall. Gainesville Harley needs a word of thanks for being a trophy sponsor! Always a great time, cool bar and excellent music! Put the spring event on your not to miss list for 2025!

ANGEL FLIGHT 2024

By Lulu

One of the largest gatherings of motorcycles for an event in quite some time. Beaver Bar hosted the registration and put on their Sunday breakfast spread. Hideaway Bar & Grill in Pomona Park was the second stop, and I feel certain it was the largest crowd they have seen, and they handled it like pros! Next, we were off to Renegade's on the River who are always not only a stop but are also a Platinum Sponsor of this event, and then we stopped at Bimini Bar in Bunnell on Hwy 100, where a swing hanging from a tree had some of our guys acting like kids! 1405 Saloon in Bunnell, another Platinum Sponsor and the final stop, had Duval County Line on the stage ready to entertain us when the rain gods made it necessary for the band to gather their equipment in a hurry to save it.

For those not aware of what Angel Flight does, pilots provide their service and planes to fly medical flights for those with financial or emergency needs. Angel Flight events raise funds for fuel. Sponsors of this year's event were Platinum: Debbie Clarke, Tom & Lisa Moravec, and Renegade's on the River. Other sponsors were Sea Gate Homes, Miller Lite, Duval County Line, HOG Radio, Politis & Matovina, Prime Care Urgent Care, Lisa Gentile, Del's Garage, Mangano, Daytona Sportswear and Enforcers MC. Thanks to all who took their day to ride for those who may need air travel for lifesaving care!!!

7TH ANNIVERSARY BASH FOR THE INN BETWEEN

By Lulu

Out in Deland right next to the new Sunrail Station is a great dive bar, The Inn Between. Ethan bought the bar 7 years ago and has turned it into a really cool joint. Not only did they celebrate 7 years of business, but they also celebrated that the building is 100 years old... and still standing even after Helene and Milton! The day had a bit of rain on and off, but the back yard was still packed as Duval County Line played their hearts out, even doing the National Anthem and handing out flags to the crowd! This is a full liquor bar with a great outside area. Ethan, who rides, also owns Brass Rail in Deland. Stop in for a cold one on your ventures!! They are always glad to see bikes pull up front!

Wedding Bells for Eli Seth Matthews Leukemia Foundation

John, Donna and Preacher

By LULU

Often you meet people that talk big. Not that often do you meet people that live what they preach. Walk the walk! But 2 years ago, we met Donna & John when we rode out of Sanford on their first run for the Eli Seth Matthews Leukemia Foundation. They were introduced to it in Pennsylvania, met Eli's dad there and decided to bring the ride to Florida. Deciding to tie the knot, they turned their wedding into a ride for Eli's Foundation. Starting and ending at So-Hoss Bar in Deland, we rode to Dale's Ales, Cabbage Patch and OB's. A great BBQ dinner and wedding cake waited for us at So-Hoss, a special thank you to So-Hoss for hosting this. A perfect day of wedding dancing to the tunes of Gunshy! Basket raffles, auctions and 50/50 all helped make the day a day of giving! Look for events organized by Naughty Hog Enterprise, which is Donna & John always helping worthy causes!

9/11 Memorial Ride & Ceremony 2024

By LULU

On Sunday, September 8th the Knights of Inferno and the Punishers MC hosted the 18th Annual 9/11 Ride and ceremony. I am still amazed every year when I enter the Flagler County Courthouse parking lot at how many still WILL NOT FORGET! This event has been free each year with the help of sponsors Politis & Matovina, 1405 Saloon, Monster Motorcycles and Flagler County. This year the weather was much nicer than years past. The ride is escorted by police and deputies from three counties. It went north through Putnam County to St. Augustine, rode A1A south from there, took a ride through the Loop in Volusia County and ended back in Flagler at 1405 Saloon. Tom and Lisa provided a great BBQ lunch for all and live music by Branford Highway entertained the crowd. Thanks to the sponsors, to Joe Vece and his Knights of Inferno, the Punishers and all the officers who led us safely. The ceremony included a flyover by a helicopter with a huge American flag, a gun salute, presentation of the colors, prayers, speeches, bag pipes, and the ringing of the bell, and a wonderful singer of patriotic songs, who I believe is the mayor of Palm Coasts daughter, and of course Taps! A beautiful way to commemorate all the lives lost on 9/11. A very special thank you to each and every one of you patriots who gave their Sunday to REMEMBER those so tragically lost that day.

We love Dick!

Doing 22 Miles for 22 Veterans!

By LULU

This event is on my bucket list for 2025! I had a client's event that conflicted with this one, but I got up at 5am to arrive at the staging area on US 1 in Port Orange to snap photos of the people who took their day to shine attention on the fact that 22 veterans commit suicide daily. Way before sunup adults, children, veterans, first responders, sponsors, and even a guy with a prosthetic leg anxiously awaited the beginning of their day. Over 140 walked! Many were wearing T-shirts that proclaimed 22 A DAY IS 22 TOO MANY. Dick Steinmeier, a well-known and well-loved veteran, led the 22-mile hike on an adult 3-wheel tricycle. He made the entire journey. So proud of you Dick! Anyone who knows me and Thunder Roads Florida, know that we love our veterans. Many may not know I worked a psych unit as a nurse and even back 30 years ago, long before they used the term PTSD, many of our patients were Vietnam Veterans dealing with things they experienced that no one should have had to. It was often more a survivor's guilt that they were struggling with, as much as anything else. So, keep an eye out for this event next year and put some walking shoes on! What a simple way to shine attention on a real problem in America and to honor those who have already given their all!! The tentative date for 2025 is the last Sunday of September. Jordan Snipes keep us posted with 2025 date!! Thank you to the sponsors Red, White & Blue Heating & AC, Legacy Mortgage Corporation, and High Profile 4 X4. Check out the events website SpeakUpTomorrowNeedsYou.org!

JOKER'S WILD

A Koala is sitting up in a gum treesmoking a joint, when a little lizard walks past and looks up and says, "Hey Koala ! What are you doing?"

The koala says: "Smoking a joint, come up and have some."

So the little lizard climbs up and sits next to the koala and they have a few joints. After a while the little lizard says his mouth is dry and he is going to get a drink from the river. But the little lizard is so stoned that he leans too far over and falls into the river.

A crocodile sees this, swims over to the little lizard helps him to the side, and then asks the little lizard: "What's the matter with you?"

The little lizard explains to the crocodile that he was sitting smoking a joint with the koala in the tree, got too stoned and fell into the river while taking a drink.

The crocodile says he has to check this out, so he walks into the rain forest, finds the tree where the koala is sitting finishing a joint, and he looks up and says "Hey you!"

So the koala looks down at him and says: "Shiiiiiiiiit, dudewhat in the hell is in that water you drank?!!"

Mike had been in police work for 25 years. Finally, sick of the stress, he quit his job and bought 50 acres of land in Alaska as far from humanity as possible. He sees the postman once a week and gets groceries once a month.

Otherwise, it's total peace and quiet. After six months or so of almost total isolation, someone knocks on his door. He opens it and a huge, bearded man is standing there.

Name's Cliff, your neighbor from forty miles up the road. Having a party Friday night. Thought you might like to come at about 5:00....

'Great', says Mike, 'after six months out here, I'm ready to meet some local folks. Thank you.'

As Cliff is leaving, he stops. 'Gotta warn you. Be some drinking.'

'Not a problem' says Mike.. 'After 25 years being a cop, I can drink with the best of 'em'.

Again, the big man starts to leave and stops.

'More'n likely gonna be some fighting too.'

'Well, I get along with people. It's all good. Thanks again.'

'More'n likely be some wild sex too.'

'Now that's really not a problem' says Mike, warming to the idea. 'I've been all alone for six months! I'll definitely be there. By the way, what's the dress code?'

'Don't much matter. Just gonna' be the two of us.'

I mowed the lawn today, and after doing so I sat down and had a couple ice cold beers. The day was really quite beautiful, and the brew facilitated some deep thinking on various topics.

Finally I thought about an age old question: Is giving birth more painful than getting kicked in the nuts?

Women always maintain that giving birth is way more painful than a guy getting kicked in the nuts. Well, after another beer, and some heavy deductive thinking, I have come up with the answer to that question.

Getting kicked in the nuts is more painful than having a baby; and here is the reason for my conclusion.

A year or so after giving birth, a woman will often say, "it might be nice to have another child."

On the other hand, you never hear a guy say, "You know, I think I might be ready to try another kick in the nuts." I rest my case.

Women or Men....Blonde Jokes Are Fun:

I was telling a blonde man friend of mine: "Christmas is on a Friday this year."

My friend replied; "Let's hope it's not the 13th."

A woman phoned her blonde neighbor man and said: "Close your curtains the next time you & your wife are having sex. The whole street was watching and laughing at you yesterday." To which the blonde man replied: "Well the joke's on all of you because I wasn't even at home yesterday."

A blonde man spies a letter lying on his doormat.

It says on the envelope "DO NOT BEND".

He spends the next 2 hours trying to figure out how to pick it up.

A blonde man was driving home, drunk as a skunk. Suddenly he has to swerve to avoid a tree, then another, then another. A cop car pulls him over, so he tells the cop about all the trees in the road. The cop says, "That's your air freshener swinging about!"

While creating women, God promised men that good and obedient wives would be found in all the corners of the world.

And then He smiled and made the earth round.

From Our Family to Yours', Happy Thanksgiving, Bikers.
