LETTER FROM THE EDITOR

October is coming to an end as of this writing, but we still have one more rally this weekend at Panama City Beach. I always look forward to the Thunder Beach Rally to close out the month. On a side note, the Florida motorcycle world experienced some bummer news with the postponement of Cotee River Bike Fest because of Hurricane Isaias. It is rescheduled for January, which is good news, but I hate getting all amped up for a rally and then the disappointment of having to wait. Mark your calendars for Jan 15-17 in beautiful downtown New Port Richey. Gator H-D Fall Rally is next on our party agenda scheduled for November 13th-15th complete with a Daisy Duke & Bikini Contest with cash prizes Friday and a Beer Belly Contest Saturday with cash prizes! In Deland, the 25th annual Russ and Bob Panhead Shovelhead party is on November 15th, always a large crowd at OBs for this one. November is highlighted by St. Pete Bike Fest from the 19th to 22nd. This event has become part of our regular annual schedule the last few years and we are grateful to be part of it. What a great venue OCC Roadhouse and Museum is with Berts Barracuda H-D a few steps away. I'm always happy and excited to jump on my bike and ride to attend these weekend parties, so saddle up and join us. In Ormond Beach on November 21st, NVS Kustoms is hosting a VICLA show at Teddy Morse H-D. If you are feeling extra ambitious, you can take

a ride to Galveston Texas for the Lone Star Rally from the 5th-8th. I did it once and it was well worth the trip. It's a 2-day ride unless you're an Iron Butt. I hope everybody has a lot to be thankful for this Thanksgiving season. Enjoy the time with your family and friends. Then let's get ready for Christmas and 2027. See ya on the road, T.J.

Ran into Bert from Bert's Barracuda H-D and Bert's Black Widow H-D at Froggy's during Biketoberfest he shared his flyer for his attempt to hit the Guinness World Record for largest toy drive on December 6th. You can register online starting November 1st. The flyer is here. On our coast we also have a toy drive on the 6th of December, Godfather Customs Toy Drive will start at Sorry Charlies. Their ad is in this issue. Put on your jingle bells and help Santa make a child's Christmas. Another event I would like to mention is there is a benefit Car Show for a family at Sorry Charlie's that came to us late. They are raising money for a family with a member fighting pancreatic cancer. They are asking for peeps to show up and help this family on November 14th.

Hope you all have a wonderful Thanksgiving with family and friends. Lots to do this month so get out and enjoy the cooler weather, good music and new highways and don't forget your sunscreen!!

TROPICAL TATTOO'S CHOPPERTIME 2026

By Lulu

Another day of great music, amazing bikes, and demanding work for those that put Willie's Chopper Show on each year. Roadside Marty said it has been 25 years but twice a year making it the 50th Choppertime. The girls and guys slinging drinks and donating all the proceeds to the Veteran's Support Fund are awesome! The volunteers who park bikes, run security, and set up tents all for an end of day dinner at Mario's deserve a great thank you. Seemed to me the line was long for tattoos. Cycle Source Magazine and Roadside Marty keep things organized and moving. Rev. Al did a nice prayer to bless us all. But the real magic on the property is the people that enter their bikes and keep things interesting by showing up! Oh, and thank you to each of you who come to have a drink and gaze upon the builders' creations. The best spent drink money of your time at Biketoberfest as the proceeds go to the Veterans in our area and I know Willie thanks you for that. I loved the band who were back for their second time... Duval County Line rocked the day away. It goes without saying that we thank Rue & Ziffra law firm and Twisted Tea for their sponsorship of Willie's events and Thunder Roads Florida Magazine. AOK Guns in New Smyrna Beach raffled guns for the veterans and one of my girlfriends, Callie, won one. The lady that knitted a flag quilt to raffle for the vets also won the 50/50 and gave the money back!! All the winners and days photos are on our Thunder Roads Florida Facebook Page, wish I could have gotten all twenty winners in print, but printing costs are through the roof! Our photos on Facebook are free so grab them if you are there.

RUSTY WALLACE NASCAR FOUNDATION RIDE 2026

By NICHOLE KRIEGER, VICE PRESIDENT & EXECUTIVE DIRECTOR, THE NASCAR FOUNDATION

When Rusty Wallace rolls into Deadwood, South Dakota, for the Sturgis Rally, big hearts come with him! This year, so did a record \$850,000 for charity. The 2026 Buffalo Chip's Rusty Wallace Ride presented by Harley-Davidson brought motorcycle enthusiasts, celebrities, NASCAR fans, and longtime friends together in South Dakota for good times and one mission – to raise as much as possible for two amazing causes – The NASCAR Foundation and the Special Olympics South Dakota.

NASCAR Hall of Famer Rusty Wallace puts his heart into this event year after year, and his longtime commitment to giving back is what makes this charity ride so special. His collaboration with Rod Woodruff and the Buffalo Chip brings the racing and motorcycle communities together like a reunion of friends, all ready to do some good.

A highlight of this year's auction was a Southern Country Customs motorcycle featuring a paint scheme designed by internationally acclaimed photorealist artist Scott Jacobs, Harley-Davidson's first officially licensed artist. The bike raised an incredible \$200,000—a testament to the big-hearted generosity this crowd brings to Deadwood. Since its start in 2019, the ride has raised more than \$2.2 million, with proceeds shared equally between these two charities. That's a whole lot of generosity helping children live healthier lives and giving athletes with intellectual disabilities opportunities to shine.

None of it happens without the sponsors, riders, donors, and volunteers who keep coming back and bringing others along. A heartfelt thank-you goes to all our sponsors and donors, especially Harley-Davidson, the Historic Franklin Hotel, and El Bandido Yankee Tequila, for helping make this our biggest year yet!

KNIGHTS OF INFERNO AND PUNISHERS MC FLAGLER HOST 911 MEMORIAL RIDE

By Lulu

25 years ago, the Twin Towers came crashing down! 25 years ago, people went to work and their lives ended. People boarded planes for weddings, funerals, work, vacation, and their lives ended. Children, fathers, mothers... gone! Even today people suffer from PTSD, depression over the loss of loved ones, and health issues from exposure to toxins. Tragic what the evil creatures conspired to rain upon the United States that day. Pure evil! Babies born in 2001 get married without their fathers walking them down the aisle 25 years later. Children tend to parents dying from cancer due to the cloud of toxic debris. Lives horribly altered for the past 25 years and beyond. For twenty years, local heroes headed by Joe Vece of the Knights of Inferno, have held a memorial ride to give us a day to reflect on the losses of 911. Innocent lives, first responders' lives, lives of passengers on United Airlines Flight 93 who chose to die heroes rather than allow the plane to take lives in DC must never be forgotten. And the lives of those who still suffer to this day. The event this year had one of the largest crowds. A beautiful ceremony complete with patriotic songs, prayers, speeches, a bag pipe, Taps, and a gun salute. A helicopter flyover started the day, and then a ride which ended at 1405 Saloon on Moody Blvd in Bunnell for lunch and fellowship. This is an escorted ride each year and has always been free. A special thank you to Politis & Matovina, Monster Motorcycles, Palm Coast Ford, Flagler County and 1405 Saloon for their sponsorship. To each of you who rode on this 20th ride, and I have seen most of you every year, thank you for your patriotism!

Joe Vece Knights of Inferno

THUNDER ROADS FLORIDA® RIDE TO THE COUNTRY

By Lulu

The Wednesday before Bike Week and Biktoberfest for several years we have taken whoever shows up for a country ride before the craziness of the rally. We meet at 10am at Sandrine's bar, The Hideout Lounge, on Derbyshire with KSU at 11am. If you haven't found The Hideout Sunday's Bloody Mary's are a meal but get there early before they run out. This year the first stop was 3 Bananas with a beautiful lakefront view and great food for those that need a belly filling before the next 5 stops. We then rode to Sheldon and Lisa's bar, The Hideaway Bar and Grill in Pomona Park. Lisa always decorates for photo ops. They are having their first Bike Night which starts at 4pm on November 21st with live music, bike games, 50/50 and fun. More miles on the bike and we end up at Renegade's on the River. Ran into folks with some of Southern Country Custom trikes and an amazing RV set up. Renegades has cabins & RV sites available if you want to come up for the 1-day festival in Crescent City. Lots of cool spots to bike to while you are there for the weekend. We lost a dear friend Jim Watson and his spot he died was on our trip to the next spot. Caught a photo of Sheldon raising his hands to God or Jimmy standing at his cross. Our friends, Waylon and Tonya's bar was the next stop. Long's Log Cabin is a great venue for music, alcohol, and WINGS. Back to the river at Gnarly Gar, one of the coolest dive spots in Putnam County. Lots of folks were there enjoying the river on a Wednesday. Final stop for the actual ride was The Oasis in San Mateo. Tia and Mike were there and were proud to show off their new covered pavilion. We did make one more stop on the way back to Volusia County for those who didn't have to hurry back. It was Shovelhead Night at the Other Place on Nova Rd. The \$5 Smash Burgers and \$3 beer was calling. The place was packed. Wonderful peeps to spend the day with many people from all over who join us yearly and some that had never ventured to most of these spots. Feel free to join us next year. We love new faces!

JOKER'S WILD

A biker stops by the local Harley Shop to have his bike fixed. They couldn't do it while he waited, so he said he didn't live far and would just walk home. On the way home he stopped at the hardware store and bought a bucket and an anvil. He stopped by the feed store/livestock dealer and picked up a couple of chickens and a goose. However, struggling outside the store he now had a problem: how to carry all of his purchases home. While he is scratching his head he was approached by a little old lady who told him she was lost. She asked, "Can you tell me how to get to 1603 Mockingbird Lane?" The biker said, "Well, as a matter of fact, I live at 1616 Mockingbird Lane. I would walk you home but I can't carry this lot." The old lady suggested, "Why don't you put the anvil in the bucket, carry the bucket in one hand, put a chicken under each arm and carry the goose in the other hand?" "Why thank you very much," he said and proceeded to walk the old girl home. On the way he says, "Let's take my shortcut and go down this alley. We'll be there in no time." The little old lady looked him over cautiously then said, "I am a lonely widow without a husband to defend me. How do I know that when we get in the alley you won't hold me up against the wall, pull up my skirt, and ravish me?" The biker said, "Holy smokes lady! I am carrying a bucket, an anvil, two chickens and a goose. How in the world could I possibly hold you up against the wall and do that?"
