LETTER FROM THE EDITOR

Welcome to October, where the fun begins. This issue is here to promote many of the businesses that are ready to host and entertain us throughout the entire first month of the Fall Florida Rally season. We have four rallies on three consecutive weekends to keep us in the saddle. Cotee River Bike Fest kicks it off 10/9-11, Triketoberfest at Teddy Morse's Daytona H-D 10/9-11, then Daytona Biketoberfest 10/15-18, Thunder Beach Rally in Panama City Beach 10/21-25 and Fantasy Fest in Key West 10/16-25 round out the month. For us that live in Daytona it looks like about 1,200 miles on the bikes between the two round trips and the local riding. We will be sure to take some pictures along the way! As always, they will appear on our Facebook page the day after. Please peruse this book carefully and, when possible, support our ad sponsors. They are the reason that we are able to bring this rag to you all. The Thunder Roads Family is very tight, and we appreciate all of you for being loyal readers and friends. For those that can't make the out-of-town trips, there are a couple of must-see local one-day events. The inaugural Crescent City Bike Fest was huge last year, and this year looks to be even bigger with Framing the Red and Duval County Line taking the stage on 10/24. Also, Gator's Harley's Boots and BBQ ride for the tatas and Firefighter

Charity on 10/3. So much going on and too much to list here. Just check the ads for details. Tons of post event coverage upcoming in future issues so stay tuned. We welcome everyone to come up and say hi when you see us out there and take a photo.

See ya on the road,
T.J.

PONY TALES

By LuLu

People walk into your life daily that you don't know and may never meet again. Then there are those who for some unknown reason just stick. They become part of the fabric of who you are. Maybe not on a daily basis, but they are important in your circle of life. In the motorcycle rally world that is more true than other worlds. As you travel rally to rally there are people that you see at events...people you look forward to seeing...that you will miss if you don't see them again! TJ and I lost an important part of that fabric of our lives this month. Jim Watson was an avid biker, a lover of life and of the people he chose to surround himself with...a lover of Cam, his wife, he married during Bike Week a couple of years ago in her black and orange wedding gown. Damn they were a true love story and a perfect fit. So sad. We first met Jim years ago, helping Bill Grotto set up Twisted Tea banners at Boot Hill. His voice and laugh stay with me, and if you knew him you would understand that. Then we reconnected with him at Renegade's on the River where he was the "Boat Butler" for Lisa and Donnie. He arranged to take us out on the St. John's, and I was terrified as the weather was VERY blustery that day, but he cajoled me into going and it is a memory I will cherish. Jim would show up at bike shows, bike nights and charity events. Over the

past couple of years, his friends had a birthday ride for Jim. I was always disappointed we were committed to events out of town and couldn't go. I included one of the photos Jeani took of that group. He was a damn good guy. He put miles and miles on his bike which makes understanding Jim losing his life on his bike difficult to understand, but we all know it happens in a blink of an eye. There is a ride scheduled in his memory on Sunday, October 3rd. See the ad in this issue for more info. Keep Cam and the family in your prayers for me, hold on tight to those you love and don't forget your sunscreen.

COOL JOINT: THE OASIS SAN MATEO

By Lulu

Lots of BIG things have been happening at The Oasis in San Mateo. Larry and Tia have added a BIG steel pavilion on the side of the building which allows for shade and rain control if live music or events are scheduled. The new owners have taken a sleepy little bar and managed to shake things up and turn it into a ride destination. Located at 735 S US 17 in San Mateo it is only a short hop when you take a left at the intersection of 17 and 100. They were the site of the 4th Annual Plug Run, organized by A & D Swap Shop out of Satsuma, which culminates with a bike giveaway. The Plug Run occurs at the Oasis several times a year. Winner of the bike, Chuck Lubar, was thrilled. The Oasis offers bingo, karaoke, pool, darts and cornhole. Follow their ads here or on Facebook for the monthly music line up. Put this on your places to explore during Biketoberfest or anytime you are looking for a place to wander! They are also a great poker run stop!

JOKER'S WILD

Was minding my own business, eating my KFC at a local park, when this woman walks up to the picnic table and points her finger at me and yells, "I hope you're aware of the fact that the chicken you're eating had a family." Sensing she was a Vegan and this was a regular public display for her righteousness, I replied in a very calm and friendly voice, "Yes ma'am, that's why I ordered the bucket. No one gets left behind on my watch."

After my annual prostate exam, the Doctor left the room just as the Nurse was entering the room. As she shut the door behind her after entering, she whispered the three words no man wants to hear in that situation, "Who was that man?"

This morning, I was beaten up by a very busty woman in the elevator of my condo. I was staring at her boobs when she said calm as can be, "Would you please press one?" She asked so politely, so I did. I don't remember anything after that but did wake up on the floor of the elevator on the ground level.

A fellow employee, after grabbing his 4th Krispy Kreme donut from the dozen I brought to work for everyone, and I asked him to please place it back in the box for others, gently put it back in the box and then as he was leaving the Employee Lounge had the nerve to tell me that I was a bully and he also felt that I was also extremely bossy. I looked him up and down and said, "You're totally wrong on that assessment, I am Aggressively Helpful."

My four primary moods: I need coffee, I need a nap, I need a vacation, I need duct tape, a rope and a shovel.

I "accidentally" handed my wife a glue stick instead of the Chapstick on the living room little table between our recliners. She's still not talking to me.

How did Doctors conclude that exercise prolongs life? A rabbit jumps all day and lives for approx. 2 years, yet a turtle takes it slow and easy and lives for 200 years. So, my point is, rest, chill, eat, drink, be happy and enjoy life in your 90's. Again, this is an independent study by myself but it's also a proven fact.

Quite often, when you read a person's FB or Insta posts, you can tell approximate time they switched from sweet tea to alcohol.

Went to a nice restaurant where had heard that the smoked mullet was the best around, so had to check this bold statement out. As I arrived, there was a large, double-sided and hinged Notice board that read: Remember What The Valet Who Parked Your Car Looks Like Due To The Fact That We Do Not Have Valet Parking.

Looking into Essential Oils as that seems to be very trendy these days for a hobby as my wife keeps telling me that I don't do anything but kick back in my comfy recline and watch ESPN. Saw this one and thought, isn't this the one that is intended to calm other people down? Chloroform? It's Chloroform isn't it?

People who cheat on their taxes disgust me. This is Not the world I want to raise my 23 dependents in, that's for dang sure.

As my sweet Grammy used to say, "If common sense was lard, most people wouldn't be able to grease a cast iron skillet."

Those who like my posts are happier, more intelligent and better looking than those that don't; according to a study that I just made up.

The word of the day is Shidiot: A person who makes stupid decisions and ends up in some really crappy situations; Shidiot.

I just told my daughter she seriously needed to check her attitude. She stood up straight and looked me in the eyes with full intent and declared, "For complaints you best contact the Manufacturer."

Life Lesson - Never let your Mom kiss you anywhere on your face the morning of your Dads' birthday.

HAPPY HALLOWEEN ALL YOU GHOULS & BOOS -
Get out there and scare the hell outa' someone!
